General – Manning rest centres, being prepared to assist in any area,
hold a Food Hygiene Certificate

PLEASE RETURN THIS FORM TO:

Mr Ian Kydd, Parish Clerk

8 Halatte Gardens

Great Shelford

CB22 5LE

THANK YOU

AN EMERGENCY RESPONSE PLAN FOR CIVIL EMERGENCIES IN THE PARISH

In conjunction with South Cambs District Council and Cambs County Council the Parish Council is producing an Emergency Response Procedure to help organise and co-ordinate responses to any type of emergency situation that may occur within the Parish. District and County Councils have Emergency Planning Officers and to help them in their roles, Parish Councils are now being asked to help by putting local procedures in place.

This Plan would help locate people with certain skills (eg nurses, First Responder volunteers) and certain equipment (eg 4 wheel drive vehicles, lifting equipment, chainsaws, tractors, etc) and key holders to public buildings (eg village hall, church hall, etc) who may need to be contacted in the event of a major incident.

This could be anything from a road traffic accident to a flooding situation.

We would like to hear from any residents who feel they have a skill or equipment which could be of help in such an incident.

A plan is being put together, which will be held by the Parish Council, so in the event of such an incident local people could make initial responses and information could also be passed on to the emergency services to help them respond faster and the parish provide as much assistance as possible.

The type of information that could be held would be:

Communications - should phone lines go down, two-way radios could be useful
Power - generators
Equipment - tractors, 4WD, chainsaws, lifting equipment, etc
Medical - First aiders, nurses, St John ambulance volunteers, doctors
Volunteers - people willing to help if required

If you think you could help with any of the above please contact

Great Shelford Parish Council Tel: 840616

or fill in and return the reply form, which can also be downloaded from the Parish Council's website at:
