GREAT SHELFORD PARISH COUNCIL

EXTRACT FROM DRAFT MINUTES OF MARCH MEETING

Public Concerns

Five members of the public present stated their concerns over:

Buristead Rd, (Yew impeding footpath); Inadequate lighting on De Freville Rd; Plans for the Riverbank; Road signs missing (reported); Cycle way rubbish build up (Clerk to arrange Village Man for tidy up); General Street, drains and pavement cleaning; Clean for the Queen (not being actioned by the PC); Village litter pick (depending on adequate support); Electronic Bus signs (grants to be reviewed).

County Council

- City Deal: Initial A1307 consultation discussed at length (see County Councillor Report below).
- Successful 2016/17 Local Highways Initiative grant to Parish Council.
- Local County, District and Parish Councillors have opposed the proposed removal of land from the Green Belt near Addenbrookes in the Draft Local Plan Consultation.
- The Great Shelford Branch of Cambridge Building Society is not subject to either Branch refurbishment or closure.

Highways

- Grant funding for Zebra crossing has been successful.
- Main work programme and Hinton Way changes are awaiting input from CCC
- Tesco delivery parking has now been agreed prior to 0630hrs
- An application for a convex mirror at High Green has not been successful. A parking bay outside No 20 is to be removed.
- Street and Drain clearance still awaited.

Recreation Ground

The Clerk requested quotations for cricket ball catch protective netting.

Cemetery and Allotments

A recent volunteer working party had removed rubbish, weeded beds and established a new planting area. More volunteers are needed to continue to keep the cemetery attractive.

Police Liaison

A series of Crime prevention presentations is being planned for the general

public. Parking monitoring initiative continues with Great Shelford participating.

Speedwatch group will be re-contacted with regard to availability of potential Parish Council funding for local equipment.

Social Media

It was agreed that issues raised on Streetlife would not receive any official response from the Parish Council without first agreement with the Chairman. Any agreed official response would be issued by the Clerk in the Parish Council's name.

Riverbank Project

- An Expression of Interest for Grant has been submitted.
- An Application for flood defence consent has been submitted to Environment Agency.
- SCDC funding offer of £2,000 signed and witnessed at meeting.

Neighbourhood Plan

A Neighbourhood Plan meeting had been poorly attended. Improved circulation of events to be considered with at least an article in Village News as proof of wide public consultation was necessary for a Neighbourhood Plan to be approved.

Defibrillator

The Shelford Support Group has offered £400 contribution for a Village Defibrillator. The meeting agreed to pursue this, especially if a location could be found to make it easily accessible.

Grange Field

Recent letters had declined any discussion and the potential purchase was at a stalemate. The Chair will make enquiries with South Cambs as to current ownership and how to progress the acquisition.

Finance

Clerk Mike Winter presented a schedule of payments and receipts for the month of March 2016 (known to date). This was accepted and 11 cheques valued at £5,641-04p for payment duly signed by two councillors.

The Clerk presented a monthly review of budget to year-end. Although the bank accounts had a healthy current balance, considerable expenditure had still to be received for March 2016 and it included a significant value of protected S106 funds. Year-end balances are expected to be approximately as forecast.

Note. Full copies of the Minutes can be seen at www.shelford.org and at the library.

PLANNING APPLICATIONS PARISH COUNCIL COMMENTS

S/0338/16/AD	Tucker Gardner 39 Woollards Lane	New fascia sign
No objections		

S/0390/16/PN	Mr A Rayner Arnolds Farm Shelford Bottom	Proposed grain store
Permission already granted.		

S/0549/16/FL	Mr P Yadav 14 Redhill Lane	2 storey side and single storey rear extensions.
No recommendation. As there is a similar side extension at no. 12 no objection in principle, but wonder if a sunlight analysis may need to be carried out to assess the impact on the south facing ground floor window in the property to the north.		

S/0557/16/FL	Mr A Priest 15 Shelford Park Ave	2 storey side and single storey rear extensions.
Recommend refusal. We would like the extension to mirror that of No.13 (the design here was a result of concerns about the terracing effect of 2 storey side extensions) with the first floor set back so the extension appears subservient as recommended in the design guide and to avoid the terracing effect. We would also like to see side access so wheelie bins can be stored to the rear. It would be preferable if the porch roof matched that of the adjoining property.		

S/0592/16/FL	Mr A Phillips 22 Mingle Lane	New front wall, piers and gates.
As this end of Mingle Lane has quite a lot of hedges, we wonder if some planting could be used to soften the impact of the wall and gates.		

S/0619/16/FL	Mr F Murphy 6 Walden Way	Extension to bungalow.
No objections		

S/0605/16/FL & S/0606/16/LB	Mr. R. Herbert 21 High Green.	Part demolition and part extension of rear wing.
As this is a listed building we are happy to leave the decision to the Conservation Team. No recommendation.		

S/0577/16/FL	Mr. J. Beal 37 Buristead Rd	Installation of 4 velux windows
No objections		

S/0630/16/FL	Mr C Mitchell 10 Elms Ave	Single storey rear extension.
No objections		

16/0176/OUT & 16/0165/FUL	Cambridge City applications on Addenbrookes site	<p>Development of up to 75,000 sqm floorspace including up to two multi storey car parks; open space and landscaping and all other associated supporting infrastructure.</p> <p>Erection of a building for Biotech and Biomedical research and development and production together with associated supporting Headquarters and Logistics function along with associated infrastructure to include; access, services, drainage, electric and gas infrastructure, external ancillary structures, car and cycle parking and hard and soft landscaping.</p>
---------------------------------	--	---

Concerns were expressed at the very small distance between the buildings, new road and the watercourse to the south of the site. We believe the 20m buffer as proposed in the Local Plan should be adhered to, so a good landscape edge to the site can be created.

The proposed multi storey car parks would be visually intrusive and have an adverse impact on the open landscape and views from the south. In addition every effort should be made to reduce the number of car journeys to the site to lessen the impact on surrounding roads and villages.

We believe the indicative building heights to the east of the site are too great and do not give a stepped down effect as would be expected at the edge of the site.

In addition they would be overbearing in relation to the houses on the Bell school site.

DISTRICT COUNCIL PLANNING DECISIONS

Extensions were *approved* at 19 and 29 Hinton Way and 8 Tunwell's Lane. A double garage at 4 Birchtrees Rd and a cycle shed at 23 Coppice Ave were also approved.

Fascia signs for Tucker Gardner were *refused* at 39 and 48-50 Woollards Lane, as was an extension to form a new dwelling at 19 Hinton Way.

An application for planning was *withdrawn* for Railway Tavern, Station Rd. demolition of existing building and erection of 12 dwellings. (This is the amended application).

COUNTY COUNCIL

Street Lighting

Balfour Beatty started to replace the street lights in Cambridgeshire in 2011 and now a total of 49,126 have been upgraded as well as 5,380 bollards and signs. The replacement lamps are much more efficient and save 4.5 tonnes of carbon a year and £1 million. Since new streetlights have been installed the number of faults reported has decreased from 53 to 26 per day and the average time to repair faults is now 4 days. The percentage of lights currently working across Cambridgeshire is 99.25%. All this is absolutely great but most of our residents have had difficulties because the Central Government mandated that the streetlights have to be reduced in number by 10%, and this could only happen on minor roads where there are no buses. Apart from this it took weeks to repair the holes We have been really upset by the length of time to get our villages back to their pristine condition but it is happening slowly. If you have comments or questions enquires@lightingcambridgeshire.com or 0800 7838247.

City Deal.

The city is trying to grow its tourism, retail, education and business opportunities but without consideration for impacts elsewhere. We cannot go on like this and we must provide a long-term strategy. Businesses must be encouraged to set up outside the city core but within the county envelope, where, we hope, there will be good transport links facilitated by the City Deal.

Devolution.

Differences of opinion rage about what would be the best devolution strategy for Cambridgeshire. The government has suggested Cambridgeshire joins with Norfolk and Suffolk along with Peterborough, but others think that just joining with Peterborough would be OK. Others think that staying the same would be the best course. Some Councillors were not willing to countenance a Mayor in charge of the three counties at any price, but the government will not devolve power to the East of England without it. They need someone responsible for East of England affairs who can be held accountable. All the areas have signed up for looking into devolution further, except Cambridge City. I have always felt that there is too much power centrally and what we can have in the East of England we could use better and more efficiently.

Home Care and Looked after children

Changing the way Home Care is delivered. Can we deliver better care to our frail vulnerable people? We have 610 children in Local Authority care at the moment, 59 of whom are unaccompanied asylum seekers.

HEIDI ALLEN'S NEWSLETTER

The last month or so has been incredibly varied involving everything from education to road and rail infrastructure projects and the Child Support Agency. There is almost nothing that an MP doesn't need to get up to speed with.

Since I last wrote, I have visited five primary schools and co-hosted a meeting at Cambourne Village College with the Regional Schools Commissioner. Difficulties with teacher recruitment was probably the main topic of conversation and we floated the idea of running a recruitment fair to help schools fill their vacancies. I'll be looking at this over the next few weeks.

At a sixth form level, the principals of Hills Road and Long Road came to Westminster this month to meet the Minister Nick Boles. The Government is currently reviewing sixth form provision across the country, so we were relieved to hear he was fully aware of the excellent education these institutions provide and has no plans to change the way they are structured.

From schools to roads, I met with the Secretary of State, Patrick McLoughlin and his special advisor to ensure funds remained in place for the upgrade to the A428. I had heard rumours that the project may be delayed, however I was told that was not the case. It will be a complex and expensive project from an engineering point of view, but I will ensure local residents are kept informed at every step of the way. Highways England are currently identifying possible outline routes and I will share these as soon as I have them.

After Christmas, I met an inspirational group of mums who shared with me their difficulties with the Child Support Agency over the years. My brave ladies came down to Westminster to meet the Chair of the Work and Pensions Select Committee, of which I am a member, to convince him that this was an area the Committee should look at. I am absolutely delighted to report he agreed, so the Committee will now formally review the failings of the system and make recommendations to the Department of Work and Pensions.

And finally, over the last month I have been trialling a new way of running my surgeries. I held two "no appointment necessary" drop-in events in Sawston and Comberton. The sessions proved really popular with dozens of residents coming along to talk to me on a wide variety of topics. Please see my website www.heidisouthcambs.co.uk for details of the next scheduled sessions.

As always, don't hesitate to get in touch if I can help with anything. You can contact me by phone on 01954 212707 or via email at heidi.allen.mp@parliament.uk. I look forward to hearing from you!

SHELFORD MEDICAL PRACTICE

Shelford Health Centre will be closed on both Bank Holiday Mondays in May.

Self-Help Resources

There are a number of resources that you can use direct, without the need to see a doctor. They include:

Physio Direct - Tel: 01223 446999 Monday – Friday 1 – 5pm

- Physio Direct is a telephone self-referral service which has been set up to provide early advice and management for adults with back/neck/joint problems or following injuries. You do not need a GP referral to access this service. The service is for anyone over the age of 18 years.
- A Senior Chartered Physiotherapist will be at the end of the phone to take your call. The length of telephone calls vary, on average about 20 minutes.
- You will be asked a number of questions about your problem and how it is affecting your daily life, your current medication and any other relevant information to aid us in making a diagnosis. They will determine the most appropriate way to manage your problem, which could be:
 1. Advice only;
 2. Advice and appropriate exercises may be sent to you in the post.
 3. An appointment may be arranged for you.

Psychological Wellbeing Service

Tel: 0300 300 0055 Lines are open from 9am to 5pm, Monday to Friday, excluding Bank Holidays. Self-refer online:

www.cpft.nhs.uk/services/pws/psychological-wellbeing-service.htm

Email: selfreferIAPT@cpft.nhs.uk

Helps those aged 17 and over who are suffering from mild to moderate depression and anxiety disorders. They have teams throughout the county offering appointments throughout the day, from Monday to Friday.

Feet Focus - Tel: 01480 418545

Provides a low cost (£10-£20 charge) foot care service to patients who are not eligible for NHS Podiatry within Cambridgeshire. Clinics include: Fulbourn Health Centre; Brookfields Health Centre; Chesterton Medical Centre

Abdominal Aortic Aneurysm screening – Tel: 01223 256909. An abdominal aortic aneurysm is a weakening and expansion of the aorta, the main blood vessel in the body. Men in their 65th year are automatically invited for an ultrasound scan.

Riding for the Disabled Association
Incorporating Carriage Driving

Quiz Evening in aid of Riding for the Disabled - Iceni Group

The Iceni RDA Group takes groups of children with a variety of disabilities riding at the Barrington Equestrian School. Funds are needed to hire the ponies and to buy specialised equipment. All those helping are volunteers.

There will be a fund raising quiz at Little Shelford Memorial Hall on Saturday 7 May. £12/head to include supper. Raffle and licensed bar. Doors open at 7 pm for a 7.30 pm start.

To enter a team (6-8 people) please contact any of the following: Sarah (01223 842498); Kate (01954 719745); Susan (01223 294660) or Sara (01223 575641).

STAPLEFORD HISTORY SOCIETY

For our May meeting, we're delighted to welcome again the popular lecturer and playwright Dr Seán Lang. His topic is **The Cambridge Bonfires – a battle for order in late nineteenth-century Cambridge.**

What happened?

"One paper said that the market place looked as if it had been sacked by a foreign army. The police were powerless and so, it turned out, were the courts. This is the story of how late Victorian Cambridge trembled - and burned - before the power of the Cambridge undergraduate. It's also about what women students, Lord Kitchener and the Relief of Ladysmith all had in common (and it definitely wasn't Midsummer Common)".

To find out more, come to **Stapleford Jubilee Pavilion at 7:45 pm on 10 May**

GREAT SHELFORD PARISH CHURCH

www.stmarysgreatshelford.org/

A very warm welcome to your historic parish church - please call in and enjoy the sacred space.

Annual Parochial Church Meeting (APCM): Churchwarden Elections

The APCM elected Stella Nettleton and Dianne Fraser to continue to serve as Churchwardens for the coming year. Our sincere thanks for undertaking this role and best wishes to them for the coming year.

Granta Deanery Ascension Day Eucharist 5 May 7.30pm

The parishes of the Deanery are invited to gather together for a Eucharist to celebrate Ascension Day on 5 May at 7.30pm at St. Mary the Virgin, Linton. Lifts will be available; please contact the Churchwardens.

Westminster Abbey Duty Chaplaincy

The Dean and Chapter of Westminster Abbey are keen to build relationships with parishes outside central London and to widen the participation of parochial and retired clergy in the task of ministering to many thousands of visitors. To this end some clergy are invited to become Duty Chaplains and to offer six days of pastoral cover every year within the Abbey, on a residential basis.

I have been a Duty Chaplain for eight years and will be completing my annual period of ministry this month (starting on Mon. 9 May). The Dean and Chapter are very grateful for the link that this establishes and our Pilgrimage Visit to the Abbey in 2014 was one of the fruits of this relationship. They also offer a very generous free entry pass into the Abbey for visitors from the parish. Please speak to our Administrator for further details.

Joint Men's Fellowship

With regard to our meeting in May - for various reasons our gathering will be one week later than previously advertised so please note the new date, Thursday 12 May 2016. The topic will still be EU Referendum.

Our speaker will be Guy Brandon from the Cambridge-based Think Tank - the Jubilee Centre. He will not be giving us a simple In/Out answer but will cover the main issues: Sovereignty and Subsidiarity; Migration; Business and Bureaucracy; Security and International Relations.

Following his introductory remarks, we will continue discussing the two sides of the argument - hopefully in a reasonable and respectful manner!

St Mary's Toddler Group: Thurs. mornings in term time in the Community Room between 9.30 and 11. 30 a.m. for children aged from 0 to 3 years with their parents and/or carers. Contact details from Gillian Pett – gillian.pett29@gmail.com

First Steps: For babies and toddlers, 0-5 years, meeting on Mondays 2.15 to 2.45pm. (term time only). It is located in the Church Community Room, which is contained and warm. We have liturgical toys and books suitable and safe for the age group. Tea, coffee, juice, biscuits/cakes will be available after the service.

The structure of the session is, same songs each week and a bible story, ending with prayer. All families are welcome.

From the registers:

Funerals:	22 March	Lyn Saunders
Baptisms:	26 March	Greg Miles
Confirmations:	26 March	Greg Miles Rowen Staines

Regular Services

Daily:	9am Morning Prayer 5pm Evening Prayer
Wednesday:	9.30am Holy Communion (BCP 1662)
Sunday:	8am Holy Communion (BCP 1662) 10am Parish Communion, our main Sunday service. 6.30pm Evensong (BCP 1662)

Great Shelford Free Church

ALL CHANGE

The more observant among you may have noticed some changes at the front of the Free Church recently; the noticeboard has been replaced with a fresh one bearing our new logo, and a headstone commemorating a 19th century minister has been removed. In place of the headstone, a wooden cross has stood for some weeks, almost covered in colourful ribbons. The first ribbons were placed there by members of our congregation, and the subsequent ones by people in our village community as they passed by. It was an encouraging task to refill the ribbon bag as they got used up, for each ribbon represented a prayer.

Some people pray every day, some occasionally, and some never, but it is a rare person who does not cry out to God in life and death situations. Yet prayer is more than just asking God for things; it is a two-way conversation that requires at least as much listening as talking. It is saying sorry, giving thanks, praising God just for being who He is, but yes, it is also asking for something for others or ourselves. We have no way of knowing what prayer each of those ribbons represents, but we can know that God will have heard and answered each one. However, that doesn't mean each answer will have been 'yes'.

Many of you will be familiar with the phrase, 'be careful what you wish for'. The same applies to prayer. As a parent, one of the greatest joys is to be able to give good gifts to one's child, maybe things that they have longed and yearned for. Yet any parent also knows that much as a crawling toddler earnestly desires to be allowed to explore the fireplace, the answer to that request has to be 'no' – not because you do not love the child, but because you do. Similarly, to the young teenager who begs for the latest smartphone, the answer may well be 'wait awhile – not yet'.

It has been said that our lives are like the reverse side of a great tapestry. From the back, all we can see are the apparently random knots, the imperfections, the chaotic colours. Only from the front is it possible to see how it all fits together, see how every stitch and knot forms an integral part of an amazing picture. So do not be discouraged if you have prayed, and felt your prayer has gone unanswered. Trust in God - the artist who designed your life's tapestry.

Liz Jenkin, Elder

Worship Services at Great Shelford Free Church

Sunday 1 May @ 10.30am

Jesus show and tell (Mark 1:21-28)

Sunday 8 May @ 10.30am

Communion Service

Jesus heals the town (Mark 1:29-34)

Sunday 15 May @ 10.30am

Pentecost Sunday - All-Age Service

Sunday 22nd May @ 10.30am

Everyone is looking for Jesus (Mark 1:35-39)

Sunday 29th May @ 10.30am

Jesus cleans up (Mark 1:40-45)

Communion Service @ 6.30 pm

Create & Share @ Great Shelford Free Church Hall (Ashen Green Entrance)

Thursday 12th May: 9.30am – 3.30pm:

‘Make Patchwork Greetings Cards’

Make greetings cards using patterned papers, glue and card blanks.
Please contact Janet if you are able to attend so that she can make sure there are enough materials available.

Come when you can, bring a friend if you can, stay as long as you can.

Tea and coffee - donations towards their cost welcomed.

For more information, contact Janet - tel: 513471 or email janet@frenchfrogs.net

Creative worship for all ages @ Tea Time Together

22nd May - 3T in the Park @ Great Shelford Park - 3.30pm

This will be a chance to picnic together and play some great family games like rounders, frisbee, football. Just come along with your picnic and a blanket.

3T is an informal event for all, whatever age or phase of life you are in. Some events are outdoors and will require suitable clothing, some inside in a more relaxed, 'civilized' setting. **3T** will always be creative, informal and spiritual.

For more details, contact Diana Parr: childfam@shelfordfreechurch.org.uk;

or tel: 01223-842181(church office);

or consult the church website: shelfordfreechurch.org.uk

Little Shelford Pantomime Auditions

Auditions will be held on **Sunday 15 May 2016** for *Dick Whittington*, Little Shelford Pantomime 2017 at Little Shelford Memorial Hall. Those who have been in pantomime before, please come and audition between 1 and 4 pm. Children new to pantomime, please come between 4 and 5 pm. Please ring Sarah on 842498 or e-mail coppendales@btinternet.com if you have any queries.

IN THE TELEPHONE BOX

"Hello? Yes, it's George here. I'm at the top of a volcano and it's looking very unstable!"

"What? George, this had better not be another of your jokes," replied his brother, Josh.

"No. I'm telling the truth. Seriously, my trousers are beginning to burn up!" shouted George.

"Nope. Don't believe you. You have done this hundreds of times in the past. You can't be telling the truth!" exclaimed Josh.

"You don't understand! The magma core is getting more terrible by the second!" said George.

"Do you actually think I'm stupid, George? You are not telling the truth," sneered Josh.

"FOR THE LAST TIME, I AM TELLING THE TRUTH!" bellowed George.

"Can't talk right now," said Josh. "My favourite television programme is on. Go blow a fuse."

"No! Please! Just call a helicopter or something. It is exceedingly hot here!"

"Fine! But only because Mum would be mad," relented Josh.

"Oh! Thank you, Josh! You won't regret this!" promised George.

Teddy Brehony

SHELFORD SCHOOL

Easter now seems a distant memory unless you're still finding the occasional too-well-hidden chocolate egg under the furniture! However, some of our pre-Easter events are yet to be reported...

School trips. The Reception class enjoyed their first school trip! They took a coach to visit the Church of the Good Shepherd in Arbury where they explored stories about Jesus in interactive and creative ways.

Year 3 also visited Wandlebury as part of their work on the Iron and Stone Ages and became archaeologists (finding evidence of the past in soil), hunters (shooting bows/arrows and slingshots) and builders (weaving wattle fencing). Their favourite part was making bread, cooking over an open fire and eating it!

Sports and dance. It has been a busy few weeks for sports and dance both in and out of school with Jazz Dance performances, Dualathlon, Multiskills, Rugby and Tag Rugby. Special mention goes to the 33 parents, governors and staff who took part in an extremely muddy 5K obstacle course to raise over £6000 for new playground equipment. Thanks and Well Done to the 'mudders'!

Music. Many of our younger pianists had their first experience of playing in front of an audience in a short afternoon concert. That evening the older piano pupils, guitarists and those learning a wide range of orchestral instruments showed off their hard work in a stunning concert that also showcased the school orchestra who clearly had a lot of fun playing the Star Wars and Dads Army themes! Well done to all who performed and many thanks to the music teachers who had prepared them for the concerts.

As anticipated, SingFest was an unforgettable experience for our Year 5 and 6 choir members when they joined with the choirs from Stapleford, Babraham and St Alban's RC Primary Schools to perform with professional opera singers in an abridged version of Carmen. Thanks to Mrs Barlow for teaching and rehearsing the children.

Ending the old term. As the Easter term drew to a close we took time to consider the events of the first Easter in our church service led by Year 5. We also said goodbye again to Mrs Courtney who is leaving her position as SENDco. We have very much appreciated Mrs Courtney's flexible support of the school since her retirement from class teaching. We will miss her and wish her well for the future. Our Year 5 teacher Mr Dagnall takes up the role of SENDco from this term.

Starting the new term. For many the change to summer dresses and shorts is a happy reminder that we are hopefully headed for some warmer weather and sunshine whilst we get stuck into this busy and active summer term. We'll be especially pleased to see the sun on 21 May when we host our traditional PTA Summer Fair, but rain or shine it's always a great afternoon – please do come and join us!

Anna Caroe (School Governor)

DIARY, MAY 2016

Date	Event	Time	Place
1	May Day Morris Dancing & BBQ	5.30-6.30am	Wandlebury
2	Bank Holiday		
5	Elections of Police Commissioner and Councillors	7am – 10pm	Memorial Hall

W.I.

We were delighted to welcome magician and conjuror, John Davenport, to our April meeting. He gave an amusing and amazing talk about the history of magic, from its earliest days in the temples, to more well-known, modern magicians like Chung Ling Soo and Houdini. He also told us about his family, of whom at least three generations have

been involved in the business of magic. Their shop, founded in 1898, Davenports Magic, is in the Guinness Book of Records as the oldest continuously owned magic shop. John illustrated his highly entertaining talk with tricks that had everyone gasping with awe. How did he do that? As part of the refreshments, Cornelia Ede made another of her fabulous cakes, this one with a magic theme.

We meet on the first Thursday of every month (except August) at 7.30 p.m. in All Saints' North Room, behind the church, in Little Shelford. Our next meeting, on Thursday 5 May, begins with a walk around the Shelfords and a talk by local historian Helen Harwood on 'Women of Shelford'.

Visitors and new members are welcome at every W.I. meeting.

HISTORY WALK

On Monday May 16 at 7.30pm I will lead a guided walk round the village, a blend of history and storytelling, entitled “Some Interesting Shelford Houses”.

The village we see today has developed over many centuries, and there are houses from many different periods. Some houses are much older than they look – reinventing your house to the latest fashion has a long pedigree, and there’s nothing so naff as last year’s fashion! You will hear the stories of some of the people who lived in these houses too.

The walk will begin at St Mary’s Church in Church Street at 7.30, and should last up to 90 minutes. It is free. We will go along Church St, down King’s Mill Lane, along Woollards Lane to Woodlands Rd, and along Tunwells Lane to High Green. We will end at the Square and Compasses, where you may like to join me in enjoying the last of the evening sun and a half of beer!

Important note: I am currently awaiting a second eye operation, so it’s just possible I may have to cancel the walk. To be sure it’s taking place, ring up a couple of days beforehand to check. I will leave a message on my answerphone confirming that it’s going ahead (or not).

PLAYSCAPE NEWS

A Playscape Baby!

Congratulations to Dave Jones (our website designer) and his wife Carrie who welcomed little Alexa into the world on the 12th April. The team wish you all the best whilst adjusting to the joys of now being a family of 4! It's thanks to Dave, of Platform Twenty, that we have our website to keep you up to date with all Playscape news. Check out the Draft Masterplan: it's up there now, go to www.shelfordplayscape.org and select "the design".

Other New Beginnings?

The hugely popular Shelford Fun Run is sadly not running this year. Despite building the event into a very successful local 5km run the organisers simply couldn't commit any more time to it. However, do not despair! Playscape have been in talks with the Fun Run team and we hope to bring it back with a bang in 2017!

To achieve this we need a dedicated Fun Run Sub-committee of half-a-dozen people and have one willing volunteer already. With a team that size it won't be onerous, but it does require a steady pace of organisation through out the year (organising sponsorship, road closures, participants etc). The former organisers are keen to see the Shelford Fun Run return and have pledged to share the systems they've established - It's a well-oiled machine which just needs some more hands on deck to keep it running (ahem) each year.

Love running or just want to give something back to the community? Want to learn more? Then please contact Eleanor info@shelfordplayscape.org.

And just to clarify...

It has been reported locally that the Great Shelford Council Tax increase includes "money for the playscape playground project". This interpretation is not correct. The PC have indeed donated £5k to the appeal so far, and accept that there may come a time for more financial support, however the success of the Playscape project lies firmly on our fundraising efforts. To quote the Parish Clerk:

"At no time have we used Playscape proposal as a reason for spending increase, it is principally for Highways and land acquisition proposals to expand the provision of recreational space."

So in essence, we still need your ongoing support to realise this vision. Speaking of which, we will update you on the success of It's a Knockout in the next issue!

SHELFORD GARDEN CLUB IN CELEBRATION OF TREES

Former wildlife police officer and keen wildlife photographer, Barry Kaufman-Wright returned to give us some interesting facts about trees.

Oaks can grow up to 80 feet tall and with roots potentially 160 feet long are one of the deepest rooting trees in the world. In high summer a mature oak can provide a habitat for up to 100,000 insects. Oak is a slow growing tree, which produces a heavy, hard wood. The age of an oak can be calculated by measuring the girth of the tree 1 metre up from the base and allowing for 1 cm growth a year. Hatfield Forest has a line of oaks which are 700 years old. A completely hollow 750 year old tree has tawny owls nesting in the canopy and badgers living below. Another tree has a massive oak gall, which is 3 feet across. Just outside Thaxted is a tree with two joined trunks, which appears to have been formed by branches having rubbed together over a long period to form a natural graft. Sherwood Forest has an enormous tree known as the Major Oak considered to be over 1000 years old, which has many heavy branches supported by props.

The oldest tree in Britain is thought to be a yew growing in the churchyard of Fortingall village in Perthshire in Scotland with an age of between 2000 to 3000 years.

Elm trees used to be common but Dutch elm disease caused 9 million trees to die in just over 5 years. Some of the elms seen growing around Huntingdon are a hybrid of the smooth leaved elm and the wych elm, which appear to have some resistance to the disease. Beech trees have very shallow roots and the storms of 1987 brought down many of these, including those growing at Wandlebury. A large beech tree at Aysgarth Falls in Yorkshire, has an interesting tangled network of roots exposed by the constant flow of water.

Field maple is a tree traditionally used in hedgerows, some of which date back 300 years. A very old copse of field maples can be seen at Hatfield House. Field maples look particularly attractive when backlit by sunlight refracting through the leaves. Hazel woodland is often managed by coppicing which entails cutting stems back to near ground level every few years, enabling the wood to be harvested. Hundreds of years of this practice have resulted in coppice stands up to 30 feet across. In the past certain trees would have their branches cut at 8-12 feet above ground level to produce successive crops of wood, while preventing stock and deer grazing them. This is known as pollarding, and hornbeam, ash and willow all respond well to this procedure.

A Professional Service from Start to Finish

Silver birch are known as pioneer trees as they are one the first trees to colonise land and will seed in the roots of fallen trees. Older trees have fissured bark and can live to 100 years old.

Horse chestnut was introduced to Britain by the Romans and gets its name from the oracle or horseshoe shape left when a stem is removed from the branch. Cattle will eat the leaves and the conkers complete with spiny cases, while still attached to the tree. Horse chestnuts have been badly affected by leaf miners causing the leaves to brown and die and parasitic wasps, which lay eggs in the bark causing the trees to bleed. Sweet chestnut is a native tree, which is not related to the horse chestnut.

A CELEBRATION OF PLANTS

May is probably the best month of the year to visit most British gardens – the spring tulips are still out, but joined by irises and the early summer flowers, creating a mass of colour and hopefully some warm sunshine too. The Cambridge University Botanic Garden is no different, and in spring we particularly celebrate our flowering trees as well as our herbaceous plants. But the Botanic Garden isn't just about the beauty of plants, it's also an important focus for plant science research, particularly in Cambridge but also around the world. The Garden's collection of 8000 species is used by researchers exploring how plants work, how they evolved, how they are related to each other, and how they can be used to address global problems as challenging as food security and climate change. Some of the species we grow are the focus of conservation projects because they are so rare, some are the focus of projects to extend the range and yield of important crops. And on May 14th 2016 we hope you will visit the Garden to find out about all of these exciting projects. Our annual **Festival of Plants** is a celebration of all things plant, and combines great stalls from specialist nurseries with activities for the children, folk music on the main lawn, free tours and talks, all underpinned by the opportunity to find out more about the plants we grow and the science they support. And of course, the Garden will be at its best too, so please do come along and enjoy the atmosphere.

The Cambridge University Botanic Garden is open from 10am – 6pm, April – September, 7 days a week. The Glasshouses and Café close 30 minutes before the Garden and the Botanic Garden Shop at Brookside closes 15 minutes before the Garden. Please check the website at www.botanic.cam.ac.uk or telephone 01223 336265 for details about opening times, admission charges, tours, courses and special events.

GREAT SHELFORD FOOTBALL CLUB

With the clocks going forward evening fixtures meant a very full calendar for the men's team. Injuries to vital players had already started to take effect and the heavy defeat to Lakenheath at the end of last month was followed by a 4-2 loss away to a resurgent Linton Granta side, which knocked them off top spot.

The team then showed great character however, with a draw and three successive victories seeing them topping the table again. Firstly, coming from two goals down to gain a well-earned point against nearest rivals Hardwick and then a 3-0 win at home to Cambridge City Reserves, 3-1 away to bottom team Cottenham and 3-0 away to Brampton.

The month ended on a sour note once again unfortunately with a 4-1 defeat at home to a very good West Wrattling team. Although very tight at the top the league title is still in our own hands and we wish the team well in their remaining five games.

There is also the added bonus of two cup-finals to look forward to, both of which will be played at Histon Football Club. These take place on Wednesday 20th April against Chatteris Town, KO 19.30 and Bank Holiday Monday 2nd May against Gamlingay United, KO 14.30.

The ladies team started the month well, taking their customary place in the final of the Cambridgeshire Invitation Cup with a 3-1 home win against ICA Sports in the semi-final. This was followed up with a welcome three league points after a 3-2 home win against Brentwood, before defeats to Stevenage (3-1 at home) and Harringay Borough (3-2 away) saw them remain near the foot of the table.

Regrettably, the club have had to withdraw the veteran's team from their league due to a lack of players. It has been a frustrating season for manager Terry Gore who has seen a lack of fixtures for various reasons and then a struggle to get eleven men on the pitch when games have been forthcoming.

The club's end of season player of the year dinner will take place on Saturday 14th May at Cambridge United Football Ground from 6.30pm.

The evening includes a three course meal, presentations, raffle and disco. Tickets are £20.00 per person - available from Tony Holden (07971 538901) and Ricky Woodrow (07896 425130).

SHELFORD RUGBY CLUB

We are coming to the end of the rugby season. As I write we are playing the last few games.

The first XV look to finish mid table.

The other 4 men's teams have managed to put out a full 15 for most of the season.

We are one of the only clubs in the area to have 5 adult teams and a ladies team playing regularly.

The club is always looking for new players and anyone is welcome. Please keep an eye on our website for preseason training.

The minis & youth membership was over 400 this season ranging from the U7 to U18. We are lucky to still have a very active Colts team (17-18) in attendance each week – other activities do try and take over and Sunday morning rugby isn't so easy on the morning after!

Registration Day for 2016-17 season is 4th Sept at 10am at Davey Field. All welcome from U7's to U18.

Please see our website www.shelfordrugbyclub.co.uk

Stephanie Hatter, Youth Secretary

SHELFORD TENNIS

Spring is sprung, get your racket strung, it's time to get on court. Scientists say tennis makes you live longer. Viewers of the BBC's "How to Stay Young" will know the three secrets to a long and healthy life:

1 Get active. 2 Use your brain. 3 Do it in company.

Tennis ticks all those boxes! We welcome new members. Details at gstc.org.uk

GSTC ladies and men's teams play in the Cambs League, and the Village News can now reveal the dates of the club's own competitions:

Members please add your name to the sign-up sheets in the clubhouse, or email tournament@gstc.org.uk for the following events:

Men's singles knockout

Ladies' singles knockout

Men's doubles knockout (sign up as a pair or as a solo and we'll pair you up)

Ladies' doubles knockout (sign up as a pair or as a solo and we'll pair you up)

The draw for these events will be on Saturday 14 May and will be posted in the clubhouse. Finals Day is **Saturday 10 September**.

Also sign up for the:

Mixed doubles. This will be played on **Saturday 4th June** at 2pm, with the top two pairs also playing for the title on Finals Day.

Those playing the singles and men's and ladies' doubles tournament matches will have priority to use courts 3 & 4 to play these matches on Saturdays between 1pm to 4pm and Sundays between 9am to 12pm from 5th June to 28 August.

Good Luck!

Stephen Chittenden

ADDENBROOKE'S CHARITABLE TRUST

The Addenbrooke's Charity Lottery is open to people who are aged 16 and above and players have the chance to win up to £25,000, while at the same time helping to make a difference for patients at Addenbrooke's and the Rosie hospitals. The regular weekly draw costs from just £1 per week and at least 50p for every £1 entry will help support patients across the hospitals. Money raised helps ACT fund cutting edge technology, additional specialist services, vital research and extra comforts for patients over and above what would be possible through NHS funding alone.

To sign up for the Addenbrooke's Charity Lottery, please go to www.act4addenbrookes.org.uk/lottery or for more information email lottery@act4addenbrookes.org.uk or call 01223 217757.

ZARA JUDGED BEST

Shelford's Zara Indian Restaurant has won the top award in the national restaurant *Cobra Good Curry Guide*.

There are close on 9,000 Indian restaurants and takeaways in the British Isles and the Cobra guide identifies the best.

The award is given primarily for the quality of the restaurant's food. Tastes, aroma, colour and textures are paramount. Presentation, ambience, service competence and friendliness also have a bearing on the award.

www.zarashelford.co.uk
