GREAT SHELFORD PARISH COUNCIL

Summary from the draft minutes of the meeting held on 18 October 2017

Village Big Issues Presentation

The village consists of around 4,300 residents in 2,000 homes. Finances, outstanding projects, 2018/19 precept implications and Grange Field were discussed.

- The Parish Council's share of SCDC Council Tax, the Parish Precept, is 5.6%. The SCDC increase in Council Tax in 2016/17 was limited to 2%. The Parish Council's Parish Precept in 2016/17 was unchanged from the previous year, although there was no cap. The Parish Council produces a cautious budget for each year that is not always achieved due to many circumstances but most projects are carried forward with their projected expenditure into the following year. The Parish Council budgets and expenditure compare favourably with other surrounding Parish Councils. S106 funds and reserves are needed to increase the recreational space. A number of sites are being considered, including Grange Field.

Reports from representatives

- From 11 December all used paper should be placed directly in the blue wheelie bins.
- Community Chest grant awards have been made to Great Shelford Bowls Club and the Football Club.

Reports from standing committees

Highways

- Station Road work was expected to be completed on 23 October.
- Timescales for outstanding works, the final scheme for two flashing school lights and bus stop real time information displays are still awaited from CCC. Proposals to improve the junction of Granham's Road and Tunwell's Lane have been requested. A second speed indicator device should be in place soon. The Granham's Road level crossing will be closed from 00.30 to 07.30 on 10 December.

Recreation Ground

- Moving the boiler house into the Memorial Hall was discussed.
- The progress of the Masterplan was reviewed.
- Expenditure on the Recreation Ground Utility Services was approved.

Playscape

- The Fun Run final total was £5,500. Woodland plants have been ordered along with a bridge and stepping stones for the copse.
- SSYI are keen to help in any way with implementing the skate area, statistics for grant applications, blogs, fundraising events, etc.

Community Association

- The Parish Council lease with the Community Association is being reviewed and an audit of Health and Safety is underway for the Memorial Hall, Sports Club Room and Scout and Guide HQ. The Community Association Committee continues to provide excellent facilities for the village and to put time and effort into the smooth running of the Memorial Hall. The Parish Council should continue to provide as much support as possible.

Parish Council Tree Survey

A survey by a qualified arboriculturist has recently been undertaken of all the trees growing on land owned by the Parish Council.

Whilst the majority of the trees are healthy we have been advised that a false acacia (Robinia) on Freestone's Corner is infected by fungus with deep-seated decay and should be felled.

Two over-mature red horse chestnuts on the Memorial Green have deep decay with open wounds and are also recommended for felling.

In the cemetery an ash, cherry and horse chestnut, all with significant deep-seated decay, are recommended for felling.

On all three sites the existing trees are mature and of a similar age. The Parish Council have taken advice on suitable replacement trees and will ensure locally sourced trees of an adequate size are planted in order to ensure long-term tree cover.

PLANNING APPLICATIONS PARISH COUNCIL COMMENTS

S/2982/17/FL 60	Mrs Partridge Cambridge Road	Single storey side extension and dormer in roof.
No objections to single storey side and rear extensions but the proposed dormer is too large and will appear dominant and out of character with the existing semi-detached property and is therefore contrary to Policy D/P 2 of the approved Local Plan.		
S/3335/17/FL	Mr H Shareef 184 Cambridge Road	Masonry boundary wall.
No objections as long as care is taken not to damage the roots of nearby trees when digging the footings of the wall.		

S/3889/17/FL	Mr Smith 30 Cambridge Road	Single storey rear extension.
No objections.		
S/3446/17/FL	Mr and Mrs Fox 16 Elms Avenue	Two storey side extension and single storey front and side extension.
All the side two storey extensions to properties in Elms Avenue have stepped down roof lines so the extension is read as subservient to the main dwelling. This should also apply to this application so therefore object to the extension as it stands.		
S/3631/17/FL	Mr and Mrs Cox 4 Woollards Lane	Alterations and single storey side extension.
No objections.		
S/3632/17/FL	Mr and Mrs Goode 3 Caius Farm Cottages	Double storey rear extension.
In view of a similar two storey extension to No. 2, no objections.		
S/3645/17/FL	Mr E Vallely 11 Westfield Road	Change of use of shed to dog grooming unit.
No objections but the working hours should be restricted to those marked on drawing PL101.		
S/3742/17/FL	Mr Blay Chandos Farm Cherry Hinton Road	Change of use from agricultural to car repairs.
The LPA did not object to the principle of change of use in the original application but refused it on highway grounds. Therefore we are happy to leave the decision to the Highways Authority.		
S/3746/17/FL	Mr Smith 9 Woodlands Road	Removal of conservatory and erection of garden room.
No objections.		
S/3885/17/FL	Mrs Chen 6 Red Hill Close	Extension, conversion and alterations.
Although this is a large extension it is only a small increase on the existing footprint and should not adversely impact on neighbours therefore no objections.		
S/3480/17/FL	Mr R Dean, Cambridge Road	Three bed chalet style dwelling.
No objection in principle to a dwelling on the site but the footprint of the proposed building is too large for the site and will adversely impact on the amenities of 125 Cambridge Road. We would prefer to see a revised design and information that drainage issues can be sorted out. Should there be an ownership certificate relating to the land across which the drive passes which is not in the ownership of the applicant?

FRIENDS OF GREAT SHELFORD LIBRARY

User survey highlights and update

I am delighted to report that the recent user survey received 404 responses, which is a quite exceptional response rate. Thank you to everyone who took the time and trouble to respond. Full results will be available at our AGM at the library on **30 January 2018** – please note the date!

As expected most respondents came from (in order) Great Shelford, Stapleford, Harston, Little Shelford, Trumpington, Whittlesford and Hauxton, but also from 11 other villages and from Cambridge.

Most comments were hugely enthusiastic about the library – for example, when asked to state how much they valued the library the average score was 9.35/10. This is a powerful level of support for the library as it is and for having a professional librarian, with much praise for Rosemary. Contrary to many people's opinion of Great Shelford, the largest group of respondents were in the 31–65 age bracket, and not the over 65s!

A number of respondents asked that the library provide more activities for children and adults. The Friends Committee is actively discussing this with Councillors and the Library Service to see how we can make this happen.

At a time when we are facing an uncertain future (how many times I have said that!) it is very reassuring to see that from our survey over 80% of respondents were prepared to pay something extra towards the cost of maintaining the library, if required. This included several respondents who do not use the library themselves but see it as an essential community resource.

The majority of respondents stated that they would support an increase in the Parish Council Precept and many added that this should apply to **all** the surrounding villages too. However a significant proportion stated that they pay enough council taxes already.

Also 64% of respondents were willing to lobby councillors/the local MP to protect the future of the library.

National Libraries Week

We raised £350 from the book sale so thanks very much if you took part. We also had a very interesting and well-attended talk from Helen Harwood entitled “The ties that bind us: a look at the village community past and present”.

Finally, we're not yet on 'action stations' to dig deeper into our pockets or to man (person?) the barricades but please keep watching for updates.

BOOK REVIEW

The Jack Reacher novels by Lee Child

Jack Reacher is a loner with a capacity for considerable violence and an ability to analyse his world in forensic detail. He's big, broad, strong and calculating. Rather than having a flat and a wardrobe he has no base, buys and discards clothes rather than washing them, moves on

as the whim takes him, stopping only to right the wrongs he sees around him. And he sees a lot of wrongs.

Jack is an ex-army military policeman now using his army talents as a vigilante, having turned his back on army discipline and regularity. He is a combination of Sherlock Holmes sleuth, Superman and Lone Ranger righteousness, and Clint Eastwood drifter, which drives him to solve problems with a combination of intelligence and raw violence – then leave without saying goodbye and without consequences.

Lee Child (surprisingly, an Englishman) writes the US-based Jack Reacher stories and each one of the 22 stories is a page-turner. Sometimes the only way to get unhooked from the narrative is to stop in mid-chapter before the suspense at the end of the chapter is revealed!

The violence is quite graphic and won't appeal to everyone, but it's almost in the style of an action comic – 'Biff! Pow! Crrrack!' – and the perfectly aimed kicks and punches delivered at breathtaking speed owe something to cartoons or video games, though they are effective nonetheless.

On the other hand Jack is gentle with women, kind to children and to anyone who has been unjustly treated, and many will have a sneaking admiration for his effectiveness in disposing of baddies. His skill in analysing evidence and observing behaviour makes him a match for any detective, and as he travels across the USA righting wrongs we learn something of the inward-looking lives and social pressures of people in isolated townships.

Read any one of these thrillers and, like me, you could get unexpectedly hooked. The books might best be read chronologically, which means starting with *Killing Floor* then *Die Trying*, or you could enter his world through the collection of Jack Reacher short stories *No Middle Name*. Lee Child's books are available at Shelford Library and there should be more on their way because he has written a new Jack Reacher book every year since 1997 (two in 2010). *The Midnight Line* was published in November 2017.

STAPLEFORD HISTORY SOCIETY

Shaken not Stirred: 12 December 2017

For our December meeting, Nick Pett will be talking about cocktails – how the fashion for cocktails has developed, the ingredients and flavours, the paraphernalia for making the preparation and serving into a spectacle. He has promised some ‘handling opportunities’.

At Stapleford Jubilee Pavilion at 7.45pm on 12 December.

All welcome. Admission is free to History Society members, or £3 on the door.

PLAYSCAPE & SSSI DIG FOR SPRING COLOUR

On the last Saturday of half-term we met to plant 500 bluebell bulbs in the copse and a range of native plants. Primroses, wood sage, hairy St John's wort and wild garlic were planted amongst the bluebells, and hedgerow plants such as betony, red campion and upright hedge parsley went into the long grass under the trees. The bluebells may be shy to flower in their first year, but the splash of blue should be worth the wait!

Thanks to the grants from the Co-op and the SCDC Community Chest we can also introduce new crossing points over the ditch: the bridge and stepping stones have been ordered and will be installed soon.

Drink and Be Merry! We'll be serving mulled wine, mince pies and running a barbecue at the Christmas Lights Switch-On, Saturday 2 December from 6pm, so please do come along to support this festive village event. Merry Christmas!

‘Through the son’

During the American Civil War, as a result of a family tragedy, a soldier was granted permission to seek a hearing from the President. He wanted to request exemption from military service. However, when he arrived at the White House, he was refused entry and sent away. He went and sat in a nearby park.

A young boy came across him and remarked how unhappy he looked. The soldier found himself telling the young boy everything. Eventually the boy said, ‘Come with me.’ He led the dejected soldier back to the White House. They went around the back, none of the guards stopped them. Even the generals and high-ranking government officials stood to attention and let them pass through.

The soldier was amazed. Finally, they came to the presidential office. Without knocking, the young boy opened the door and walked straight in. Abraham Lincoln, standing there, turned from his conversation with the Secretary of State and said, ‘What can I do for you, Tad?’

Tad said, ‘Dad, this soldier needs to talk to you.’

The soldier had access to the President ‘through the son’.

This is the message of Christmas.
Jesus, God’s Son, came to give us
access to God ‘through the son’

SHELFORD SCHOOL

As school opened after half-term we were pleased to welcome Miss Bachewich, who joins us to teach Year 2.

We are also delighted that our School Caterer, Tracey Alderman, has been awarded Cambridgeshire Caterer of the Year. Tracey and her team provide a high standard of lunches every day and throughout the year introduce special menus such as the Bonfire Lunch which was enjoyed recently and the ever popular Christmas Lunch.

A regular highlight, International Day, took place on 1 November. This year the theme was 'Food Around the World'. Mr and Mrs Wilkinson from Shelford Delicatessen came to run a Fairtrade Assembly where they demonstrated how chocolate actually gets to us. The children were surprised to learn that not everyone gets paid fairly; for example a farmer was very poorly paid and could not afford to educate and feed his family. However once Fairtrade was established he and many other farmers around the world received a better deal. Later Reception and KS1 children met Pablo the Super Banana and KS2 did some exciting work about the banana industry.

The children thoroughly enjoyed their day as can be seen from the following comments:

'I liked it when we learned about Pablo the Super Banana and I liked the supply chain in Assembly.' *Oscar, Year 2*

'I really enjoyed Mr and Mrs Wilkinson's assembly and now I take more care with my food after I saw how much work was put in. I now see that it's not always about me, but for the people who are not as fortunate as us. I think that spending 5p extra is worth it because, just think, that 5p could save lives!' *Maisie, Year 5*

Thank you to Mr and Mrs Wilkinson for their contribution and to Mrs Unwin for organising the whole day.

Although the latter part of this term involves practising for the Christmas celebrations, the staff and children still continue their excellent academic work. This makes it a very busy time but everyone really enjoys thinking of the real meaning of Christmas; first we have the Early Years and KS1 Nativity Play; look out for all the traditional characters and perhaps some which are more unexpected. It is then KS2 Carols by Candlelight, which takes place at our local village church. In addition the choir will be singing Christmas carols at the David Rayner Cancer Care Christmas meal.

To get a flavour of these events come along to hear KS2 singing at the Great Shelford Christmas Lights Switch-On on 2 December and the PTA Christmas Fair on 9 December from 2pm to 4.30pm.

The First Christmas

Children: Hello Mum, we are very excited because tomorrow is Christmas Day.

Mum: You need to get some sleep.

Children: Please can you tell us a story?

Mum: I could tell you the story of The First Christmas.

Children: Yes please.

Mum: A long, long time ago the Angel Gabriel told Mary that she was going to have a special baby. Soon after, she had to go on a long journey to Bethlehem with Joseph.

When they arrived in Bethlehem it was so busy that there was nowhere for them to stay. A kind innkeeper offered them a stable to stay in. Baby Jesus was born in the stable. Some angels appeared to a group of shepherds and said 'A special baby has been born in a stable, you must go to Bethlehem.' They went to Bethlehem and gave Baby Jesus the gift of a sheep. Three Wise Men saw a bright star in the sky. They followed it to Bethlehem and gave Jesus gifts of gold, frankincense and myrrh.

Children: Thank you for telling us the story Mum, good night.

Mum: Good night.

DR HUGH OLIVER MBE

On 13 October the Free Church was full to the rafters to give thanks for the life of Dr Hugh Walter Latham Oliver, who died on 27 September aged 87. Many residents of Shelford will remember Hugh as their GP for many years, both as a locum in the late 1950s, before his long service as Medical Superintendent at the Mengo Hospital in Kampala, Uganda, and later, after he returned to Shelford in 1976. At Mengo he specialised in obstetrics and dedicated himself to the people there in many other ways, too. On his return from Uganda, he joined Dr Robin Church in partnership at 45 Tunwells Lane and then led the practice with many other colleagues at the new Health Centre. His association with

Mengo Hospital continued throughout his life.

Hugh was born in Wales in 1930, and educated at King's College School and Shrewsbury School before qualifying as a doctor at the London Hospital. His family joked at the thanksgiving service about his dilemma about who to support in Rugby internationals. His compromise was to favour the Welsh on the rugby pitch, but to support the England cricket team to the hilt as well! His Christian faith was the bedrock of his life. His eldest son David characterised his faith by quoting the canticle 'Christ as a light, illumine and guide me. Christ as a shield overshadow me. Christ under me. Christ over me, on my left and on my right.' He was indeed a great man of faith and served as an elder of the Free Church under Rev Jonathan Burrough, who led the service of thanksgiving with Hugh's family.

Hugh's commitment to Jesus Christ was the reason for his lifetime of service to others and his ability to meet all kinds of challenges, trials and personal difficulties with courage and great wisdom. Many people have reason to be grateful for the hospitality he and Gwen showed at their home.

Hugh's family was more important to him than anything apart from his faith. He met his wife Gwen at the London Hospital, where she was a nurse. She waited for him during his two years national service in Hong Kong, and they married in 1957. They were blessed with six children, all of whom, with their spouses and children, took part in the thanksgiving service on 13 October and spoke movingly and with great love for their father. Hugh and Gwen celebrated their Diamond Wedding anniversary about three weeks before Hugh died.

'A good character is the best tombstone ... Carve your name on hearts not on marble' (Charles Spurgeon). That is what Hugh Walter Latham Oliver did, and he will be long and lovingly remembered.

MAGOG SINGERS

On Friday 3 November the Magog Singers took part in a concert with the French choir, *Le Choeur des Aulnes*, from the Shelford twinned village of Verneuil-en-Halatte. It started with a fine bell-ringing welcome, followed by a very enjoyable selection of pieces, and was very well attended.

The Magog Singers' next performance will be jointly with the Friends of St Andrews, Stapleford, and will take place on Saturday 2 December at 7.30pm. The programme will include many pieces performed in November, but with some added Christmas pieces.

The final performance for this term will be on Tuesday 5 December at 3pm at the Jubilee Pavilion, Gog Magog Way in Stapleford. There is no entrance fee but there will be a retiring collection for a local charity. You are invited to join us for tea and mince pies afterwards.

Our Musical Director Jacquie McBride has chosen a wide range of music for the term, including music by John Rutter and Thomas Morley, along with songs from *The Lord of the Rings* and Disney's *Pocahontas*. We are very much enjoying the rehearsals and trust that we will provide enjoyable concerts on both occasions. For further information contact:

SHELFORD TWINNING ASSOCIATION

Choir visit from Verneuil 3–5 November

Shortly before 4pm on Friday 3 November a huge white coach disgorged its passengers outside the Free Church – 38 members of *Le Choeur des Aulnes* (*aulnes* = alders) including five non-singers, and also of course the coach driver who is now well known to us having brought twinning groups over for the last four or five years. I think they had been singing most of the way as they were in high spirits and this set the tone for the weekend. We collected our guests and took them home for tea and cake before taking them to St Mary's Church, Great Shelford for a pre-concert rehearsal with a local choir, the Magog Singers, followed by the concert at 7pm. It was wonderful to hear the church bells ringing beforehand, thanks to the generous bellringers who offered their services.

Penny Pearl of the Shelford Twinning Association introduced the choirs, speaking in French and English. The programme had been agreed in advance between the two choir leaders. The Magog Singers included works by Michael Praetorius, Thomas Morley, a song from *The Lord of the Rings*, another from *Pocahontas*, and an amusing French song: *Mon Coq est Mort*. The two choirs then joined together to sing *For the beauty of the earth* by John Rutter. The French choir chose Berlioz, Saint-Saëns, Offenbach and a hilarious song by Purcell entitled *Chœur du peuple du froid* for which the singers donned woolly hats, scarves and gloves – and shivered! They had prepared an encore: *The Rhythm of Life* from the musical *Sweet Charity* sung very fast and with great aplomb. It was all wonderful and at the end wine and nibbles were served at the back of the church. As I recalled from the previous visit of the French choir, exactly ten years ago to the day, they have a habit of spontaneously breaking into song, encouraged by their enthusiastic leader, Béatrice, and this evening was no exception. Afterwards the French returned to their hosts for a late supper and bed.

By Saturday morning the rain had set in and plans to visit Saffron Walden were abandoned in favour of the Degas exhibition at the Fitzwilliam Museum. This was a popular decision and everyone happily spent the morning there, by which time the rain had eased up and everyone split into groups to go and find somewhere to have lunch, after which there was time for a short stroll round the city centre to show our visitors a few of the colleges before returning in the coach to Stapleford School for a rehearsal for the evening's performance, this time with the Stapleford Choral Society.

The French choir repeated their programme of the Friday evening but with more élan, no doubt as they were feeling more at home by then. The Stapleford Choral Society, accompanied by a small orchestra, selected pieces by Purcell, Elgar, Bruckner, Brahms and two compositions by the choir's director, Adam

Pounds. The choirs combined for the finale: part of Vivaldi's *Gloria*. The applause was stupendous.

After speeches and an exchange of gifts, an extensive buffet supper, provided by the hosts and members of the Stapleford Choral Society, was served by the committee members of the Shelford Twinning Association, followed by more spontaneous singing by the French! The hosts were sad to wave off their friends, some old, some new, on Sunday morning.

It is a special feature of twinning visits that we always stay in homes, not hotels or B&Bs, so we are extremely grateful to our host families for looking after our visitors so well during the weekend. It was especially pleasing that hospitality for this visit was offered by both present and former members of the Twinning Association, and by members of the choirs as well. We thank them all.

Congratulations to the Twinning Associations, in Shelford and Verneuil, for organising this treat for all those who took part, hosts, choirs and hangers-on ... and a huge thank you to both the local choirs who enthusiastically entered into the spirit of the occasion.

Judy Boothroyd

THE GARDEN GANG

I would like to thank all the wonderful members of my Garden Gang for turning out month after month to work on the village's flowerbeds. Their patient and careful work has worked wonders everywhere. Together we've laboured through the coldest days of winter (horrible!) and the hottest of summer (much too hot!). The beds we took on in the High Street now look much nicer, and once the plants grow to their full size we should have a lovely display. We've also done work on Freestone's Corner and up at the cemetery. We have now hung up our boots for the winter, and are taking a break till January. We'll back next year working more horticultural magic round the village. Many thanks!

WI

On Friday 20 October The Shelfords WI hosted a well-attended evening for the local group of WIs in Shelford Memorial Hall. The speaker was Dr Samantha Williams from the Faculty of History at Cambridge University and her talk was entitled 'The Georgian Child Support Agency'. Samantha first explained that she would be using the term

'bastard' a great deal, and that we should not be offended as historically it has been used as a legal term.

She went on to tell us that the first official recognition of the need to assist unmarried mothers began with legislation as early as 1576. Samantha gave a very illuminating talk on a subject about which most of us knew very little. It was obvious that she is passionate about the research she does on the subject and she has combined this into a book about unmarried motherhood in the 18th century which is due to be published next year.

We continued with a historical theme at our regular meeting on Thursday 2 November when Vanessa Mann gave a fascinating talk entitled 'It's on the cards – "tweets" from another era'. Vanessa collects postcards from Edwardian times and uses them as a starting point to research the lives of the senders and recipients. In some cases she has even been able to contact their descendants and give them the postcard from their relative. In a time when there were up to seven postal deliveries per day postcards really were like today's social network exchanges and provide tantalising glimpses of everyday life. Even the angles at which the stamps were fixed had their own, often romantic, messages. We really enjoyed passing the cards around, deciphering the handwriting and hearing what had been discovered about the writers, who could never have imagined that their messages would be studied in this way.

Our next meeting will be on Thursday 7 December and will be our Christmas Party featuring handbell ringing and simple Christmas flower arranging.

New members and visitors are always very welcome. Do come and join us on the first Thursday of every month at 7.30 p.m. in the North Room behind All Saints' Church in Little Shelford.

BOTANIC GARDEN

Fancy a kiss ...?

Viscum album, or mistletoe, really comes to the forefront of our minds when it is brought into our homes for the Christmas tradition of kissing beneath the mistletoe. There is far more though to this curious plant than this much-heralded tradition.

A native of the British Isles, mistletoe occurs in southern England, Wales and the Borders. *Viscum album* is prevalent in areas with a mild climate and suitable woody hosts, and it is particularly associated with the orchard-growing counties of Herefordshire, Worcestershire and Gloucestershire. Mistletoe is a hemi-parasitic species meaning that it carries out photosynthesis but also obtains nutrients and water from its host. Frequent hosts include apple, hawthorn, lime, and poplar. It will grow on more unusual hosts such as witch hazel (*Hamamelis* spp.) and handkerchief tree (*Davidia involucrata*), as at Cambridge University Botanic Garden. *Viscum album* is a dioecious species, having separate berryless male and fruiting female plants, and requires both male and female plants to produce fruits. It is spread from tree to tree by birds (and especially mistle thrushes). Perceived wisdom suggested that the seed needed to be passed through birds and deposited in bark fissures. It is this aspect of the plant which led to its common name of mistletoe. *Mistel* derives from an Old German word *mist*, meaning dung, and *toe* from the Old English word *tan*, meaning twig. It is now accepted that neither of these is necessary, and that the seeds are sticky enough to secure themselves to the bark's surface, until its hypocotyl (stem beneath the stalks of the seed leaves) emerges. It is an especially distinct plant, forming a mass of paired, lime-green, veined leaves. Translucent, white berries sit at the union of a pair of leaves.

Mistletoe growing on sacred trees has long been held in high esteem by druids, who believed it warded off evil spirits, and considered that it brought both good luck and fertility. It is this paganistic link which resulted in the banning of mistletoe from many parish churches. Having no roots, nor obvious food source, it was regarded as magical during the Medieval Age. Its ability to remain green-leaved throughout the year, while other plants defoliated, further added to the intrigue. During this period concoctions containing mistletoe were used to treat epilepsy and tumours and the plant was believed to deter witches. It was also widely regarded as a fertility symbol and aphrodisiac, and ladies tied a sprig of mistletoe around their waist or wrist to increase fertility. This association with fertility did not stop at humans, with rituals evolving to improve soil fertility.

In Herefordshire the practice of 'Burning the Bush' was widely adopted. Orbs of mistletoe and hawthorn were constructed, and these were set alight and dragged across fields to purify the ground and increase crop yields.

In neighbouring Worcestershire mistletoe was hung with other greenery to decorate doorways and hallways, and it is from this origin that the tradition of kissing under the mistletoe began.

Mistletoe is more obvious during the winter months silhouetted against the sky amongst the leafless limbs of deciduous trees.

Cambridge University Botanic Garden will be closed from 4pm on Saturday 23 December and will re-open on Tuesday 2 January at 10am. FOOTBALL CLUB

After what was for them a very mediocre previous month, the first team hit top form again with four straight wins. They kicked off with an impressive 5–1 home win against in-form Cambridge University Press in the first round of the Cambridgeshire Challenge Cup and this was followed by an even more impressive performance in the 8–0 demolition of another previously in-form team, Comberton United, at home in the league. Games against Linton Granta are usually close encounters and the away league clash was no exception. Linton took a first half lead in what turned out to be a very hard-fought game but two late goals from Mason Newman earned what could turn out to be three very valuable points. The month ended with the team progressing to the third round of the Challenge Cup courtesy of a comfortable 5–1 home against Gamlingay United.

The reserve team maintained their good early season form and kicked off their Cambridgeshire Junior Challenge Cup campaign with a 3–2 away win against Whittlesford United Reserves. They finally had a home fixture the following week, but after opening up a 2-goal lead against Mott Macdonald FC they managed to concede three goals from set pieces to drop their first league points of the season. It was back on the road again for their final fixture of the month and a 4–1 win against Gamlingay United Reserves saw them progress to the third round of the Junior Challenge Cup and continue what has been an impressive campaign so far.

There are home matches on most Saturday afternoons so why not come along and support your local club. Refreshments for Mums, Dads, young and old are on sale in the Pavilion during first team matches, and the clubroom above the Memorial Hall will be open for a drink after games. Everyone is welcome.

Terry Rider, Chairman

RUGBY CLUB

We are almost halfway through the playing season and are still fielding five adult men's squads and the ladies' squad most weeks, plus nearly 400 minis and youth members filling Davey Field every Sunday.

Our aim is to progress players to reach their full potential and with five adult male teams there is room for all. Kieran Hatter made his debut for the 1st XV in the Guernsey game recently. Kieran has been playing his rugby at Shelford since he was five years old and played in all 12 mini and youth age groups, only graduating from the Colts last season – yet another example of the Club's successful mini and youth set-up.

Ladies Rugby

The Shelford Ladies are always looking to strengthen their squad so if you are an experienced player or just fancy giving rugby a go, please contact Lizell Heather (lizellheather@yahoo.co.uk).

Social Events

Saturday 9 December

Saturday 20 January

Touch Judge

We are still looking for someone to run the touchline during 1st XV games. Currently this usually falls to one of the players on the bench when they should be focusing on their part in the game. If you are interested or would like to discuss this further, please contact Greg Hind greghind131@hotmail.co.uk

Bar Staff

We are always looking for people to help behind the bar. This is usually at weekends but can be at other times. Please contact Gemma Renton gemrenton@gmail.com for more information.

Anyone interested in joining Shelford's playing teams is always welcome. If you have some free time on a Saturday and want to watch rugby, please check out the fixtures on the website and come along – food is available and the bar is open. ARTHUR RANK HOSPICE

CELEBRATION EVENING AFTER MOMENTOUS YEAR

It has been a milestone year for the Arthur Rank Hospice, which moved from Mill Road in Cambridge into its new home in Shelford Bottom on 11 November 2016. A Celebration Evening was held in the Hospice's Bistro and Education and Conference Centre on 11 October. It was an opportunity to acknowledge the changes made possible by the move, and say thank you to the staff and hundreds of

dedicated volunteers who make very real differences to patients, their loved ones and supporters, every day of the year.

Canapés were served and there was a musical introduction to proceedings from Cloud 9. Dr Lynn Morgan (CEO) spoke, acknowledging that during the last year 'We have asked more of our volunteers than ever' before Liz Webb (Director of Clinical Services) read out poignant letters from family members of patients cared for at the Hospice. The letters illustrated how the personally-tailored care and warmth offered by staff and volunteers have a real impact not only for the individuals cared for, but their entire families.

Special guest Cllr Peter Topping, leader of South Cambridgeshire District Council, presented 21 volunteers with long service awards; those applauded help with everything from gardening to day therapy activities, manning the charity shops to driving patients in and out of appointments, marshalling support at fundraising events to assisting on the Inpatient Unit.
