PLANNING APPLICATIONS PARISH COUNCIL COMMENTS

S/0960/18/FL	Mrs Panagioula Phillipson 32 Coppice Avenue	Replacement dwelling with associated landscaping.
Noted that this is a large development on a large site. GSPC happy to leave the decision on the application to SCDC.		
S/0864/18/FL	L Melin Hill 125 Cambridge Road	Demolition of the existing dwelling house and garage. Erection of a new residential building comprising 10 self-contained flats.
GSPC recommends refusal of the application on the following grounds: inadequate parking, the lack of provision of affordable housing and the lack of a surface water drainage strategy.		
S/0909/18/FL	Mr & Mrs Moss 83 Cambridge Road	First floor extension to existing bungalow. Extension to side and rear of existing rear single storey living room.
No objection.		
S/0974/18/FL	Mr J Aujla 275 Hinton Way	Replacement dwelling.
No objection.		
S/1200/18/FL	Mr J Aujla 160 Cambridge Rd	Demolition of existing dwelling; replacing with two 2 bed flats, two 1 bed flats, and one 2 bed maisonette.
GSPC notes that the application contains a high number of serious errors and inaccuracies and a lack of detail, which renders it impossible to properly review the application. GSPC recommends that SCDC reject the application and requests that it be corrected before being considered. From the review that has been possible, GSPC recommends refusal on several grounds including: overdevelopment of site, insufficient parking and inappropriate windows and balconies.		
S/0967/18/FL	Prof Rudolf Hanka 26 Coppice Avenue	Re-submission of previously approved S/1267/09/F, first floor extension.
No objection.		

S/3909/17/FL	Mrs Gandini 18A Granhams Close	Retrospective proposed conservatory.
No objection.		

S/4463/17/FL and S/4461/17/VC	Co-Operative Group Food Limited 7 De Freville House	Installation of new ATM and shopfront; plant and plant enclosure to rear; new steel service door to rear of premises; replace existing bollards with new stainless steel bollards.
GSPC continues to recommend refusal of these applications. The applicant has done little or nothing to address our initial concerns regarding highways issues, environmental concerns or PCV access to the site, given that the building has been extended to the south.		

S/1327/18/FL	Mr & Mrs Russell 6 Hinton Way	Two storey extension to front and side, single storey extension to rear.
No objection.		

S/0884/18/FL	Mr & Mrs Miles 14 Woodlands Road	Construction of garden pavilion.
No objection.		

S/1225/18/FL	Great Shelford Parish Council Pavilion area, Recreation Ground	Refurbishment of the existing recreation ground including creating an improved pedestrian entrance and improving parking.
This is a GSPC application; it follows that GSPC is happy with the application and has no further comments to make to SCDC.		

S/1253/18/FL	Bluesproperty 14 Woollards Lane	Erection of two semidetached dwellings and associated infrastructure.
GSPC requests that further additional information is provided. Based on the information provided so far, GSPC would recommend rejection of the application on the grounds of site overdevelopment, the overlooking of other property, unsafe parking arrangements and inappropriate concreting of front garden area.		

S/1297/18/FL	Mr & Mrs Fynn	Single storey side extension,
--------------	---------------	-------------------------------

	16 Granhams Road	new front porch and enlargement of existing boiler house to form utility room.
No objection.		

S/1330/18/FL	Mr & Mrs S Watt 35 Westfield Road	Single storey rear extension.
No objection.

SHELFORD SCHOOL

The summer term is always a busy and action-packed term. Children in Years 2 and 6 have been occupied with the SATs. Teachers do their utmost to prepare the children for these and minimise any anxiety around formal assessment.

Sport continues to be popular at the school. Many children attend the after-school clubs, including football, gymnastics, badminton, fencing, triathlon and jazz dance. Years 5 and 6 have recently played in a netball tournament at Sawston Village College and Year 4 have taken part in a tennis tournament. The children are looking forward to Sports Day at the end of June.

Over the past couple of years, the school has striven to increase the opportunities for outdoor learning, recognising its many benefits such as improved learning and mental well-being. Forest School is now well established in the Reception class and, under the leadership of Mrs Clarke, we aim to roll this out further up the school. This half-term the children will also benefit from dedicated outdoor learning curriculum days.

The PTA has continued to do a magnificent job, providing welcome fundraising as well as enhanced community spirit within the school and village. By the time you are reading this, the summer fair will have no doubt been another fun-filled afternoon. The PTA Camp Out in the school grounds is also back after half-term for its second year which has caused much excitement amongst the children and parents.

At the end of this half term, we look forward to the School Orchestra and Choir Concert held at the Free Church, and also to the Ascension Service held at St Mary's Church. The latter is followed by a picnic at the Wale Recreation Ground in Little Shelford. Parents are welcome to join their children for this event which is always a lovely end to the half term.

This has been my first year as a School Governor and I am enjoying getting to know the school, staff and pupils better. As a parent, it has been a real insight to become aware of all the hard work that goes on behind the scenes! I am looking forward to working with fellow Governors to support the school through the upcoming changes and help create the optimal learning environment for our children.

HEIDI ALLEN

The full text of this newsletter is available at: www.heidisouthcambbs.co.uk

On 10 April I was honoured to join the Prime Minister when she visited Addenbrooke's Hospital. Theresa May spoke to staff, learnt about our pioneering cancer research and treatment work, and also launched a £75 million nationwide fund to improve research into innovative ways of combatting prostate cancer. I am so proud of the hard-working, dedicated commitment of our NHS staff and the Prime Minister's visit showed how important Addenbrooke's is, not only to us locally, but also at a national level. The Prime Minister was briefed on the hospital's wish to build a cancer hospital on the campus. This would both develop our world-leading reputation for cancer diagnosis and treatment, and also free up valuable space for more general hospital work. The Prime Minister grasped the potential of the proposals and I am pleased to report that she suggested I discuss the proposals in more detail with her special advisor. I'll keep you posted!

April also saw the Health Minister Lord O'Shaughnessy visit Royal Papworth Hospital. I invited him so he could hear from the world-leading experts there and see the innovative work that they undertake. Papworth are seeking sustainable funding for their DCD (donation after circulatory death) transplant programme – that's essentially the use of hearts which would not traditionally make the grade. Lord O'Shaughnessy left impressed and promised to follow up to see what might be possible.

And now for something completely different and less welcome! In the last few weeks, we have seen a large number of travellers take up residence on land on the A505 at Thriplow. Although increased powers are now available to local authorities to deal with unauthorised caravan sites, the Government is reviewing the powers available and looking at what more needs to be done. Unauthorised encampments continue to be an issue locally and I hope that you can spare a few minutes to take part in the consultation, see <https://tinyurl.com/y78d9fxf> for details.

Supporting local communities is an important part of my role in South Cambridgeshire and in the last month, I have been pleased to support a number of local events and campaigns, including prize giving at the Cambourne 10k Run and meeting with residents in Stapleford who are campaigning to see The Tree public house turned into a community asset. For more information about the Stapleford community's efforts to create a community hub and their crowdfunding efforts, please visit their website: <http://thetrestapleford.co.uk>

This month sees a new timetable for Great Northern trains and I know that many of you contributed to the train timetable consultation last year. The result is a new timetable from 20 May onwards which affects all Great Northern routes. Every train from every station has been changed with the intention of providing a more reliable service for passengers and increasing capacity. Details of the changes are available here: <https://www.railplan2020.com/>

I will be holding my next ‘drop-in’ surgery on 9 June, 11.30am–1.30pm at The Plough Public House, St Peters Street, Duxford, CB22 4RP where no appointment will be necessary.

To contact me, please email heidi.allen.mp@parliament.uk You can also phone my Westminster office on 020 7219 5091 about national issues or my constituency office on 01223 830037 for local concerns.

TELEPHONE BOX

Meghan: Hello? Hello? Is that Harry on the phone?

Harry: Yes, it’s me – why are you not at Windsor?

Meghan: I can’t be sure where I am, but I think I’m in Shelford. But I’m an American so I can’t be sure?

Harry: Do you know where Windsor is?

Meghan: I know where Windsor is because I have a map.

I also have a copy of the Shelford Village News, and there are some amazing people here!

(Meghan flips through the News to see what other amazing people are in there)

Harry: Like what?

Meghan: People who are willing to give money to others and people who are willing to be a teacher and help others learn.

Harry: That’s amazing, but it’s our wedding day today!

(Harry starts to panic)

Meghan: How about once we are married we could go to Shelford and have a celebration with these amazing, kind people?

Harry: That’s an amazing idea, let’s do it!

DISTRICT COUNCIL

PETER FANE AND NICK SAMPLE, DISTRICT COUNCILLORS FOR SHELFORD WARD, ELECTED 3 MAY 2018

Nick and I are privileged to have been recently elected as your District Councillors in South Cambridgeshire. We recognise that the hard work starts now to represent all the people of Great Shelford, Little Shelford and Stapleford, however you may have voted, and to justify the confidence you have placed in us.

We recognise too the hard work of our predecessors, particularly Charlie Nightingale, who was a Councillor here for a total of 17 years (including two as Chairman of the Council) and Ben Shelton, who was a Councillor for eight years. We will aim to build on much of what they have done, but also to work in new ways to represent people here.

A high priority for us will be reporting back from the District Council on developments which could affect these villages, and hearing from you about your concerns and priorities. We are grateful to the editors of the *Village News* for giving us this first opportunity, though I am sure you will understand that we are focussed at this early stage on listening.

Nick and I will work closely with the three Parish Councils. I would encourage people to attend at least the open session at the start of your Parish Council meetings occasionally, not only to hear our brief reports but more importantly to make your views known on the issues affecting the village. We are keen to hear directly from parishioners too, so please don't hesitate to get in touch.

I had an interesting session with young people at the SSYI Youth Club last week, hearing what they want for the future of their villages – what they'd like to change and improve. That's very much the focus of the Neighbourhood Plan too, so that we can decide for ourselves how we want our villages to look in say twenty years' time as well as what needs doing about it now.

Sometimes we spend too much time responding to the plans of others. We are keen to focus on how people who live and work here want the villages to look in the future, what facilities you want us to have, how we make sure there is genuinely affordable housing for people with links to the villages, and how we support the shops and businesses which are so vital to community life.

What matters to you? Come and tell us.**All welcome**

It's official. The hottest bank holiday since ... well it depends which record you're talking about. The hottest bank holiday Monday, the hottest whole weekend, in England, in Scotland? Whatever, I hope it doesn't seem a distant memory by the time you read this!

The news can be fun in the way it presents things to get the best impact, be it the weather or some world event. Also irritating! Have you ever shouted at the screen when you don't agree with something?

How can we know the truth? Indeed, what is the truth? Often we can't know and we have to take the word of others unless we are able to make an investigation for ourselves. Or indeed be present when something happens. That's what makes the Gospels, the first four books of the New Testament so interesting and important. They were written by people who were actually present. Actually witnessed Jesus speaking and doing what he did. Each writes from their own perspective and, as a consequence, each Gospel gives a different account. The question of course is then, 'Do I believe them?'

Whatever the record, it's been a lovely sunny day today. I know. I was there.

SAWSTON VILLAGE COLLEGE BRASS FUNKEYS

The College was delighted to have the Brass Funkeys in school for two days recently. The band, which draws on the traditions of New Orleans jazz, delivered two days of rousing music-making and performance as part of the Cambridgeshire Live Music Festival.

Musicians from the school enjoyed workshops with the group over the two days and were delighted to join the band and take part in the performances. We had audiences of over two hundred, with all of our Year 7 pupils attending, together with Year 5 and Year 6 classes from primary schools in the cluster including

pupils from Great Shelford and Stapleford. All Year 7 pupils are currently working on their Bronze Arts Award and will be writing a review of the performance as part of this.

Sawston Village College is grateful to the Arts Society South Cambs for supporting this project by providing the coaches which allowed primary school children to attend the event. The Arts Society South Cambs is also supporting the delivery of Arts Award across the entire Year 7 year group.

GREAT SHELFORD PARISH CHURCH

www.stmarysgreatshelford.org

A very warm welcome to your historic parish church – please call in and enjoy the sacred space.

Westminster Abbey Duty Chaplaincy

The Dean and Chapter of Westminster Abbey are keen to build relationships with parishes outside central London and to widen the participation of parochial and retired clergy in the task of ministering to many thousands of visitors. To this end some clergy are invited to become Duty Chaplains and to offer six days of pastoral cover every year within the Abbey, on a residential basis. I have been a Duty Chaplain for ten years and will be completing my annual period of ministry this month (starting on Monday 11 June). The Dean and Chapter are very grateful for the link that this establishes and our Pilgrimage Visit to the Abbey in 2014 was one of the fruits of this relationship. They also offer a very generous free entry pass into the Abbey for visitors from the parish. Please speak to our Administrator for further details.

Diocesan Pilgrimage 2019

Bishop Stephen has announced that he will be leading a diocesan pilgrimage to the Holy Land from 1–12 February next year, and hopes that you will lend this exciting project your support.

You will see from the brochure, which can be found on the Diocesan website following this link: <http://www.elydiocese.org//event?id=7527> that the group is planning to spend ten full days in Palestine and Israel, during which we will visit all the principal sites and shrines associated with the life of Jesus, as well as having some substantial interactions with local Christians. Those of you who have participated in previous pilgrimages may be interested to note that this time we will also be visiting Petra, Jordan's 'rose-red city' and Masada. We will be looked after by a travel firm that has an enviable reputation for supporting the ethnic Christian communities of the Holy Land, and is the official, preferred pilgrimage operator for the Anglican Diocese of Jerusalem.

Many have witnessed before what a positive impact a pilgrimage of this kind can have on the life of a diocese and its parishes, as pilgrims discover new insights into the very roots of their faith, and return home eagerly committed to a greater sense of discipleship. This can touch and affect those around them in their local church communities and impact on parish and diocesan life in a very positive and exciting manner. If you have any questions about the pilgrimage, please feel free to contact the Revd Alan Partridge, a.partridge7@gmail.com, who is coordinating.

SHELFORD MEDICAL PRACTICE CONTINUES ITS GOOD WORK!

We are very proud to announce that we have just passed our second Care Quality Commission (CQC) inspection. We have faced many changes and challenges since our first inspection back in 2016 but we have continued to deliver the best possible patient care and treatment, and this is reflected in this latest report. Our patients continue to feel they are treated with kindness, respect and compassion, and 24 out of the 25 patient CQC comment cards filled out were positive about the service we give. Additionally, the inspectors were very impressed with the feedback they received from waiting room patients on the day, reporting that all of the patients they spoke to were very happy with our services and our staff.

Our systems to assess, monitor and manage risks to patient safety continue to work well. Our patients feel that we respect their privacy and dignity and that there are effective services overall and across all population groups, including older patients, patients with long-term conditions, families, children and young families, working age patients, vulnerable patients and those with poor mental health, including dementia.

We have again demonstrated that our staff have the skills, knowledge and experience to carry out their roles, and we continue to work together with other health and social care professionals to deliver effective care and treatment to meet patients' needs, taking into account patient needs and preferences. The inspection team were delighted by the positive staff morale and energy in the practice – particularly impressive given the general state of morale in the NHS at the moment!

The inspectors looked at how we handled patient feedback, including complaints, and saw that we took all complaints and concerns seriously and responded to them appropriately to improve the quality of patient care.

'Needs Improvement'? During the inspection we did not have a full array of required risk assessment paperwork and this has been reflected in the report as our only safety issue. We are working with the Management Team from Granta and our Landlords to ensure that the missing paperwork is available.

Moving forward, we are very excited to be merging with Granta Medical Practice later in the year, and would like to reassure our patients that all of the good work detailed in our latest inspection report will stay in place, and we will continue to strive to give the best possible care.

GRANTA MEDICAL PRACTICE

DON'T LET HAY FEVER SPOIL YOUR SUMMER

Did you know you don't need to see your GP for hay fever treatment? Hay fever and seasonal allergy treatments such as tablets, eye drops and nasal sprays are all easily available at low cost from your local pharmacy.

Antihistamines are usually the best treatment for hay fever and these can easily be bought from local pharmacies or supermarkets. Buying a packet of 30 tablets can cost as little as £2, but if a patient gets a prescription from their GP it costs the NHS considerably more. By going to the pharmacy you'll be saving yourself time and money, freeing up GP appointments as well as doing your bit to help the NHS save money on unnecessary prescription costs.

Top tips to help ease hay fever symptoms

- Keep house and car windows closed, especially when the pollen count is high (early morning between 7–9am and evenings 5–7pm).
- Avoid large grassy areas, woodland, cutting the grass and car fumes.
- Wear wrap-around sunglasses.
- Use petroleum jelly inside your nose to block inhalation of pollen.
- Don't dry washing outside to avoid pollen sticking to your clothes.
- When you get in from outside wash your hands, face and hair, rinse your eyes and change your clothes.

For more information about treating allergies or to find your nearest pharmacy and opening times visit www.nhs.uk

Spring and summer health

Stock up for summer! The warmer weather often means that we spend more time getting out and about. That's why it is even more important to make sure you stock up on some summer self-care essentials in case you need them.

Key first aid essentials include:

- Painkillers, such as paracetamol or ibuprofen.
- Antihistamines for allergies/hay fever.
- Antiseptic cream for bites and stings.
- Sunscreen, at least factor 15.
- Plasters and bandages.
- Diarrhoea/constipation relief medication.
- Travel sickness medication.

All of these are easily available to buy at local pharmacies or supermarkets.

SHELFORD RUGBY CLUB

COUNTY CHAMPIONS x 3!!

Saturday 28 April was a great day for the Club with Shelford 3rd XV, 4th XV and 5th XVs all contesting and winning County Cups.

The 5th XV started the day with a 17–12 victory over Cambourne Exiles in the Junior Plate. The 4th XV then took on Ely 2nd XV and romped home 47–7 winners in the Junior Matchplay Final.

The successful 3rd XV

In the final game of the day, one that will live long in the memory, the 3rd XV took on a determined Saffron Walden 2nd XV in the Intermediate Cup Final and won 29–25. The 3rd XV were behind until the 79th minute before Luca Martinelli touched

the try line to take the lead. Shelford then came under intense attack but held out to take the victory. Congratulations to all the players who played and massive thanks to all those volunteers who made the day such a success. Thanks also to all those who supported all the teams.

1ST XV FINISH 7TH IN LEAGUE TABLE ... TOP HALF!

A 27–10 bonus point win against Tunbridge Wells plus other results going our way also meant that we finished 7th ... top half of the table! As a supporter of the club I have to say the last six matches of the season weren't for the faint-hearted, but what a spirited final push there was, both on and off the pitch, to secure safety and a pretty decent finish in the end.

CRICKET CLUB

This is a season of change and consolidation because we have lost five very good players from our First team from last year. The First team will play at Cokenach CC for their home games in Whiting & Partners League Two. Our Seconds will play home games at Great Shelford and our Thirds will be at Stapleford.

Not surprisingly, we lost our only First team game to date against Blunham away after three successive cancellations due to rain. Blunham's main two batsmen were a Sri Lankan A team player and another who has played in the Bangladesh Premier League. Tom Barnard took 5 for 26 though and we bowled them out before collapsing in our own innings to lose by over 200 runs. Our Thirds won against Coton Twos by a similar score after a ton by Niall Barber.

We have started our youth season with the Under 11s, Under 13s and the Under 15s all playing matches thanks to coaches Mark Milne, Tom Barnard and George Rolls. The Under 11s and Under 15s play home games at Great Shelford while the Under 13s play home games at Stapleford. If you would like to join our club, please email me at brian_higgins50@hotmail.com

FOOTBALL CLUB

The fixture chaos caused by the winter cancellations left both teams with eight games to fit in during the month, causing numerous headaches for managers over the availability of players.

Unfortunately, the first team had a nightmare start to the month, with draws against Cherry Hinton (2–2) and Lakenheath (1–1) and a surprise 3–2 defeat at home to Hemingford United ending their already slim hopes of overhauling West Wratting for the league title. Form and pride were at least restored with impressive wins against Fulbourn Institute (4–3) and Cambridge University Press (5–0) before draws against Chatteris Town (2–2) and Lakenheath (1–1) saw out the league campaign. Those final two games were notable for really good performances from a number of young players from the Reserves given chances by manager Nick Baggaley. The final at Histon against the newly crowned league champions West Wratting saw the team produce one of their best performances of the season and claim the trophy when winning 2–1 after extra-time. Nick Impey had put us one up just before half-time but a lapse in concentration let Wratting back in almost immediately. In extra time however, we started to run them ragged and man of the match Daryl Wisbey put us ahead again just before the break. In the second period numerous chances to kill the game off were spurned, leaving a few nail-biting minutes, but we saw the game out successfully to end another excellent season.

Managing any Reserves side is difficult but the amount of games proved particularly so for manager Eddie New and two matches had to be forfeited unfortunately due to player unavailability. Their inconsistency in the league was highlighted again with wins against Over Sports Reserves (3–2) and City Life (3–1) offset by a heavy 5–0 defeat to eventual champions Cambourne Rovers and both home and away losses to Whittlesford United Reserves (1–0 & 4–1). In contrast the team has reserved some of their best form for cup matches and the Cambridgeshire Junior Challenge Cup Final against a strong Parsons Drove team was no different. Drove are riding high in the Peterborough & District League and fielded some players familiar to our first team. In an even first half we took the lead with a Karl Edwards penalty, but the second period saw Drove gradually take control of the game. It took some resolute defending to retain the lead but just when it seemed we might see the game out Drove snatched an equaliser five minutes before the end. Fitness and experience showed in extra time and they finally ran out 3–1 winners. The team are still in the Bambridge Cup and we wish them well.

HISTORY WALKS FOR 2018

It's the time of year for the History Walks, and I'll be doing two this year, one at each end of the village. They are designed to complement each other. The first is postponed from last year, 'The Cycle Path Walk' and will explore that end of the village which clusters round the ancient Granhams Manor. For the second walk, I will take you down Church Street and focus on the separate settlement there, with the church, Bury Manor and the watermill. In the 19th century these two settlements merged to form the Great Shelford we recognise today.

Thursday 28 June at 7.30pm The Cycle Path Walk

In 1886, the Ordnance Survey thought there was a Roman Camp, but was there really? Find out the answer to this and many other questions you never even thought to ask!

Meet just beyond the level crossing on Granhams Road, where the path from Chaston Road emerges onto Granhams Road. There is a space beside the field gate where we can stand. But don't get in the way of the bikes!

The walk will last about 1½ hours, and afterwards you are welcome to join us at the Square and Compasses for a drink. All are welcome. No booking required.

Thursday 26 July A Walk along Church Street

Look out for more details in next month's magazine.

THE SHELFORDS WI

Our speaker on Thursday 3 May was Nicholas Henderson who gave a fascinating talk on the lives of Catherine of Aragon and Anne Boleyn which was beautifully illustrated with a variety of portraits of the two queens and with photographs of the actresses in their roles in various films.

Beginning with Henry VIII's mother Elizabeth of York we were led into the Tudor

Dynasty and into the lives of Catherine and Anne before they became entwined with Henry and with each other. It was fascinating to look at this period in history from this angle.

At our next meeting on Thursday 7 June Fiona Rose will speak on 'The Life and Work of William Morris'. The following meeting on 5 July will be our annual Garden Party at 12 Church Street, Great Shelford. On 15 July we will be serving teas at the Shelford Feast and if you would like to volunteer to help us you will be very welcome, you do not need to be a member of the WI.

At our March meeting we pledged to do a collection of spectacles and sunglasses for Josie Charter from Aqua Aid to take out with her on her next trip to Malawi. Thank you very much to everyone who has responded to this appeal. We have collected over thirty pairs of glasses.

New members and visitors are welcome at every meeting. We meet on the first Thursday of every month (except July and August) at 7.30pm in the North Room behind All Saints' Church in Little Shelford.

VOLUNTEERING OPPORTUNITIES AT ADDENBROOKE'S HOSPITAL

Ever thought of volunteering? With the first week in June marking Volunteer Week it may seem a good time to start thinking about what options are out there. Volunteering is a great way to meet people, to help those in need and research has even shown it's a great way to keep fit and introduce some health and well-being into your life.

At Cambridge University Hospital volunteering is a long-established part of hospital life. With a variety of different roles on offer there is bound to be something that suits you. Some of our most popular roles include Ward Volunteer, Volunteer Guide, and Clinic and Units Volunteer.

Find more information on our website: <https://www.volunteering.cuh.org.uk/> or give us a call on 01223 254663.

We would love to hear from you – Addenbrooke's truly is a great place to volunteer.

GRANTA FLOWER CLUB

On Tuesday 8 May Granta Flower Club held its annual 'Open' meeting at the Great Shelford Memorial Hall and we were joined by many floral friends. The Committee put on an amazing array of refreshments which were enjoyed by all.

Our National Demonstrator for the evening, Tony Brown, had travelled from Lutterworth and had endured some A14 difficulties! Tony put on a fantastic display using mainly garden foliage and managing to make all the arrangements look effortless. A great evening was had by all!

Our next meeting is on Tuesday 12 June with Area Demonstrator, Susan Horne. Her demonstration is entitled 'Floral Mayhem'. Visitors will be made most welcome!

PLAYSCAPE IMPORTANT FOR EVERYONE?

We spent a glorious day on the beach last month and I was reminded just how engaging the natural world is for children. We know in our hearts we feel better from being outside and research shows that it is crucial for physical and mental well-being too.

George Monbiot nicely sums up why we need to champion communal outdoor spaces: *'A community not built around children is no community at all. A place that functions socially is one in which they are drawn to play outdoors... Without safe and engaging places in which they can come together, no tribe forms. So parents must play the games that children would otherwise play among themselves, and everyone is bored to tears.'* I can testify to that: six hours by the sea, no 'I'm bored!' or 'He's being mean!' only tears that we had to go home!

The former mayor of Bogotá, Enrique Peñalosa put it another way: *'Children are a kind of indicator species. If we can build a successful city for children, we will have a successful city for everyone.'* It occurred to me that even though we don't have a village square, the Rec could be a natural replacement for this traditional meeting point. 'Going to the Playscape' of an evening could become a whole community pastime, just like going to the Plazas on the continent.

To make this vision a reality, we're busy organising the Fun Run and writing two grant applications, whilst waiting to hear from the planners. We warmly welcome donations as every pledge helps: you can donate on our website and of course we'd love you to sign up for the Fun Run 2018 at www.shelfordfunrun.co.uk (Sunday 16 September). We're counting on raising significant funds again this year and we can only do it with your support.
