Summary from the draft minutes of the meeting on 16 May 2018

ELECTION OF OFFICERS

Cllr Mike Nettleton was unanimously re-elected as Chair for 2018–2019, and Cllr Malcolm Watson was unanimously elected as Deputy Chair.

PUBLIC SESSION

- A member of the public asked about parking issues on the pavement outside Cambridge Miniworks adjacent to the bus stop and shelter. It was agreed to discuss this item at the next Parish Council meeting with views from the Highways Committee.
- An explanation was requested for the referral of a planning application to SCDC by the previous District Councillor. New District Councillor Peter Fane agreed to review this referral.

REVIEW OF COMMITTEES

A proposed chart of all Committees and Co-Ordinators was presented and discussed. [Full details of the agreed chart were published in the June issue of the *Village News*, and a summary of Parish Councillor responsibilities is given on the inside front cover of the *Village News*.]

REPORTS FROM REPRESENTATIVES

District Councillors

- Newly elected District Councillors Peter Fane and Nick Sample introduced themselves.
- Cllr Ashurst requested support for the decriminalisation of village parking from both District Councillors.
- Cllr Fane would provide regular Parish Council reports in advance of Parish Council meetings.
- Energy grants are available for community groups as previously reported.

County Councillor

County Councillor Kevin Cuffley reported that:

- £32m efficiency savings have been made.
- Highways are receiving an extra £2.5m funding for pothole repairs.

Cllr Ashurst requested clarification of bus route 7A stops and timetable and assurance that Great Shelford would receive the same response as Sawston with all village potholes being repaired overnight. County Councillor Kevin Cuffley would support and pressure both topics.

STANDING COMMITTEE REPORTS

Highways

- School signage will continue to operate outside term times. Cllr Nettleton said this was unsatisfactory and would bring the signage into disrepute.

- A meeting with County Councillors was requested to discuss performance of CCC Highways.

Recreation Ground

- Vandalism and open fires were responded to by Dardan Security and the Police Community Support Officer.
- A seating quotation of £380 for the green shelter was agreed.
- Sand pit safety repairs were necessary.

Cemetery and Allotments

- Unallocated allotments are to be resolved.
- The water tap at the cemetery allotment has been damaged by users again.

Neighbourhood Plan

Community Association

- Electrical testing and repairs have been completed.
- The wi-fi system is now operational. Notices will be displayed and the range extender will be tested for use in The Feast.

Parochial Charities and Schools

- The Chair requested a meeting with Cllrs Talbott, Fane and Milson along with Bridget Hodge to discuss Mores Meadow extension project.

Pavilion

- Floor covering repairs will be extended to the ladies' toilet at extra cost.
- Hartbeeps classes end on 24 May.

- 2017 arrangements for services will apply for 2018.

Memorial Hall and key projects

- It was agreed to have a stall at The Feast to provide an opportunity for the village to engage with key projects.
- Some villagers are attached to the current Memorial Hall but facilities are inefficient and the kitchen needs updating.
- The Health Centre is of great benefit to the village but some Councillors considered its location should be a commercial decision. Others stated the Parish Council should do all it could to keep a Health Centre in the village.

GDPR (General Data Protection Regulation) compliance

- General progression towards compliance was discussed with working practices to be adopted.

FINANCE

- Twelve cheques (and two cheques previously signed) for the period up to 30 April with a value of £7,930.34p were presented for approval.
- Fifteen cheques for the month of May with a value of £9,117.07 were presented for approval.
- Mr Hugh Holland was appointed as Internal Auditor for 2018–2019.

CORRESPONDENCE

- A mission team of volunteers from the USA will be visiting Great Shelford Free Church in the week of 24 June in order to carry out some community activity around the village. It was agreed that they could use the Pavilion for a pop-up coffee shop.

PLANNING APPLICATIONS PARISH COUNCIL COMMENTS

S/1637/18/FL	Mr Edwart Munday 27 Westfield Road	Demolition of existing building and construction of a new dwelling.
Recommend refusal. This is in an area of single storey housing, maintained by a restrictive covenant. If the application were to be permitted, we would request that the right of way of the neighbouring property be respected.		

S/1718/18/FL	Mr & Mrs Spiller 200 Cambridge Road	New annexe and garage (including demolition of existing barn and outbuildings).
No objections, subject to this annexe not being sold separately to the main house, and subject to the effect on neighbouring properties.		

S/1756/18/VC	Shrubbs Land off Cabbage Moor	Variation of condition 2 (approved plans) of planning permission S/1675/17/FL.
Recommend refusal of this variance of condition. The raising of the building makes it too high, and there are other ways of dealing with the issues.		

S/1365/18/FL	Mrs Anja Evans 2 The Glebe	Creation of steps between front door and access road.
No objections.		

S/1507/18/FL	Prof Giovanna Malucci 19A High Green	First floor rear dormer
No objections.		

S/0577/18/FL	Arnold's Farm Magog Court	Erection of porch and associated works
The building is situated in an agricultural area within the Green Belt and there are concerns about the issue of light pollution from the large new windows. Full mitigation plans need to be submitted.		

S/1944/18/FL	Mr & Mrs Wilkinson 18 High Green	Convert dwelling into two separate flats, new canopies to front and new railings to street elevation, painted exterior.
No objections.

REPORT ON ANNUAL PARISH MEETING 18 APRIL 2018

Present: Councillors Mike Nettleton (Chair), Malcolm Watson, Barrie Ashurst, Richard Davies and other Parish Councillors, District Councillor Ben Shelton, Parish Clerk Mike Winter, local sports club representatives, representatives of local Associations, Schemes and Schools and well over 100 members of the public.

CHAIRMAN'S ANNUAL REPORT

Recreation and Pavilion: Further work on the riverbank area has been completed to stabilise the ramps and protect plants during their initial growth period. Playscape planting and general improvements continue.

Highways: The zebra crossing originally requested in 2015 is now in place. A second speed indicator board has been installed.

Planning: High volumes of planning applications are being reviewed. A lot of work is done on external proposals, e.g. Greater Cambridge Partnership.

Cemetery and Allotments: Much good work is done around the Village, e.g. by the Garden Gang.

Communications: There have been further improvements to the Parish Council website. Around 200 residents now receive updates from the PC.

KEY ISSUES FOR THE VILLAGE

- Traffic and parking issues.
- Provision of improved recreation facilities – Playscape and Grange Field.
- Pressures on village facilities – school and surgery full, etc.
- Blue Sky issues: Green Belt and affordable housing, possible Memorial Hall replacement and underground car park, and toilets on the Recreation Ground.

REPORTS FROM ELECTED REPRESENTATIVES

The SCDC representative reported on

- Savings made by managing refuse and recycling services for Cambridge City as well as South Cambs.
- Health and Wellbeing programme.
- Launch of Renewable Energy Grant scheme to support green initiatives.
- Investment in housing for young people.
- Business to Business networking events.

There was no report from the County Council.

REPORTS FROM CHAIRS OF PARISH COUNCIL COMMITTEES

Planning: Chair Cllr Mike Nettleton

204 planning applications were received between April 2017 and April 2018, including major ones such as the Co-op. There was also monitoring of on-

going developments such as the ‘Railway Tavern’ development, and contribution to many external initiatives, such as proposals for a guided bus and/or bus lanes from Haverhill to Addenbrookes.

Cemetery & Allotments: Chair Cllr Richard Davis

The Cemetery has been kept in good condition. Both Stonehill and the Cemetery Allotment sites are well utilised but have vacancies for the coming season. Improvements to protect the water supply from accidental damage at the Stonehill site have been undertaken during the year.

Recreation Ground & Pavilion: Councillor Malcolm Watson

In addition to the riverbank project and liaison with Playscape, there has been increased use of the Pavilion for community and private events. Projects involving Feast services and relocation and wi-fi/internet provision (including exterior CCTV) have had to be delayed until the next financial year.

Highways: Chair Councillor Barrie Ashurst

A 20mph speed limit has been introduced in the central areas of the village and speed Indicator Devices are now in use. A zebra crossing has been completed in Woollards Lane and a number of yellow line changes have been made. Further improvements are planned to road markings. Flashing signs have been installed near the school. Car parking is still an issue and the PC is pressing SCDC to ‘decriminalise’ parking so that traffic wardens can be employed.

REPORTS FROM REPRESENTATIVE BODIES

Reports were received from seventeen local sports club representatives, representatives of local associations, schemes and schools.

FINANCIAL STATEMENT

The Parish Council Financial Statement for April 2017–March 2018 was presented.

QUESTIONS AND STATEMENTS FROM RESIDENTS

Village Medical Centre merger with Granta: The Village must actively ensure that the Medical Centre remains within the village. The possibility of alternative sites for the Medical Centre was discussed.

Green Belt and Low Cost Housing: The Parish Council will press for any development of 10 or more dwellings to provide affordable housing at less than 80% of market rate.

Speed Indicator Devices: these show times and dates of speeding incidents which can be used to provide information for the police.

Underground Car Park proposal: the water table may cause problems but solutions are available.

Proposed Memorial Hall replacement: The Parish Council would fully consult the Village. Shared spaces for Scout and Guide HQs and storage space would be considered.

DISTRICT COUNCIL

South Cambs District Council restructuring

One of our group's first actions upon taking control of SCDC has been to establish two new committees and one new working group. The **Climate and Environment Committee** will be looking at all the ways in which the Council can positively influence matters both in its own and its partners' operations to reduce damage to the climate and improve our environment. The new **Grants Committee** is reviewing all the grants currently administered by the Council to make sure that they are providing maximum benefit where it is most needed.

The **Brexit Working Group** will investigate ways in which the Council can help businesses in and around South Cambs to cope with any anticipated or actual consequences of Brexit. One issue is the reliance of the Health Service and care sectors on workers from other EU countries. This covers all professions from our top consultants to physios, emergency responders, nurses and cleaners.

Housing Land Supply

South Cambridgeshire District Council had not been able to demonstrate that it had a rolling five-year land supply for housebuilding. As a result, any policies that sought to restrict residential development were suspended and in particular our village frameworks. We accept we need houses, and quickly, but the development must be planned and delivered properly, making sure provision is made for GPs, schools, roads, and infrastructure.

As of 21 May, SCDC can now demonstrate a five-year housing land supply of 5.0 years for the period 2018–2023 using the stricter calculation required by Government (the Sedgfield method) and applying a 20% buffer. The Local Plan Inspector still has not released her final report, and indeed the Local Inquiry may shortly overtake Sellafield as the longest ever held. We are still not able to give a date for the new Local Plans to come into force.

Parklife 2018

South Cambs DC will be supporting Parklife 2018 at Milton Country Park between 10am and 5pm on 1 July. There will be a host of water-based activities as well as cycling, football, archery, den building and climbing. Full details and advance bookings can be found at www.scambs.uk/parklife

Your Councillors are always ready to help. If you have any questions about these – or indeed any other – matters, please do not hesitate to contact Nick Sample cllr.sample@scambs.gov.uk or Peter Fane cllr.fane@scambs.gov.uk

SHELFORD SCHOOL

As we approach the end of the academic year, preparations continue for the transitions the children will experience as they move up through the school. On 4 July, all the pupils take part in 'Moving Up' day, with every year group having a taster of the classrooms and teachers they will join when they return in September. For our oldest pupils this means moving up to their new secondary schools for the day, whereas for the youngest children who will start school next term, it means spending the morning with the teaching team in the Reception classroom. The staff work hard preparing pupils to make their transitions as smooth as possible. As well as welcoming new children to the school, we look forward to welcoming Mr Grey and Miss Nairac who will be joining the excellent staff team. Mr Grey will be leading the school as Headteacher and Miss Nairac as the Year 4 teacher.

This term, we must also sadly say goodbye to three long-standing members of staff, who will be retiring from full-time teaching. Mrs Evans, Mrs Jenkins and Mr Paduano have each made enormous contributions to Shelford School. It is impossible in this brief article to detail all the contributions they have made over their many years of service. However, I would like to thank Mrs Evans for her dedicated, calm and caring leadership in her role as Headteacher over the past 14 years; Mrs Jenkins for all she has done over the last 12 years to give our Reception children the best start to their journey through full-time education, and Mr Paduano for all he has done to prepare our Year 6 pupils as they get ready to enter the next educational phase, plus his invaluable expertise in swimming pool maintenance, school boiler systems and maypole dancing over the past 22 years! I know the school will be good hands next year and will continue to thrive, but the departing staff will be greatly missed.

As I write, preparations have already begun for the KS2 production of *Wind in the Willows*. I look forward to watching the KS2 children sing a selection of the songs at The Shelford Feast on 15 July before the full performance at the end of term.

There are many sporting events to look forward to this half term, notably Sports Day and Year 4's participation in the Youth Games towards the end of June. Congratulations to the children from Years 5 and 6 who represented the school in the recent athletics competition. The team finished second in the tournament and will now go on to represent the school in the County Finals. Good luck!

GREAT SHELFORD PARISH CHURCH

www.stmarysgreatshelford.org

A very warm welcome to your historic parish church – please call in and enjoy the sacred space.

The Revd Monica Cameron – new appointment: In mid-June we were delighted to announce that The Bishop of Rochester has offered Monica the post of Incumbent of the Benefice of Christ Church, Erith, which she has accepted.

Monica's collation as incumbent will be on Saturday 22 September at 3.30pm. The Bishop deliberately chose a Saturday so that anyone who would like to and is able to make the journey can be there to support her. We hope to run a coach to help make that possible; more details next month.

Monica writes: 'I have been in my curacy at St Mary the Virgin, Great Shelford, since 5 July 2015. I have come to the end of my curacy; I am thankful to Simon for his support and the opportunities he gave me to develop. I am delighted that I have been appointed to be vicar of Christ Church, Erith in the Rochester Diocese.

It has been a joy and a privilege to serve God here and get to know and build relationships with some of the parish. I am grateful to everyone for the support and encouragement they have shown me and your kindness towards me and my family. St Mary's is a beautiful church with a warm and heartfelt welcome for everyone who visits, I shall miss that. I am grateful to the ministry team and the congregation for their willingness to try new things in an effort to grow in fellowship in a variety of ways. I will continue to pray for the parish, for the growth of God's presence within the church and the wider community.

My last Sunday at St Mary's will be 29 July and I will be moving to Erith in mid-August. Please join us for my last Sunday service here, at 10am, Parish Communion, followed by refreshments in the Community Room.'

Community Worship for the start of Shelford Feast week – Sunday 8 July

10am: St Mary's and Great Shelford Free Church will gather together in The Feast Grand Marquee to host a joint community service for the start of Feast week. The Parish Communion at St Mary's that morning is cancelled (other services remain the same that day). The service is **open to all**, so please do come along and bring your friends!

Christian Aid Week: Sincere thanks for the generous response to this year's appeal – £1,360 has been sent to Christian Aid from the collection envelopes received. Well done!

Parish copier replacement: Just before Holy Week the parish copier ‘died’ and the repairs needed were uneconomic because of its age. Sincere thanks to all those who responded to the appeal for funds to help with the cost of purchasing the new copier. I am delighted that a total of £3,400 has been received. This very nearly matches the cost of the copier (just short of £4,000).

St Mary’s Sunday Club

Sunday Club meets on the first Sunday of every month during the 10am service, with a story and activities for children of all ages. Most other Sundays there is an activity for children during the service. Contact: gillian.pett29@gmail.com. Helpers are welcome!

Playscape plans have been granted planning permission! This is a great milestone for the project. Erect Architecture can now start on the technical drawings, which in turn will allow us to go out to tender (a pre-requisite for most grants) in the not-too-distant future.

Now we need the rest of the funds to build it. We still need help financially, so however you can contribute – signing up for Give As You Live, donating on our website or signing up for the Fun Run – it will get us that bit closer to an inspiring Playscape.

I have been in discussions with a grant funding body and Gwen has been drafting a grant application for the wheelscape element. Unfortunately the original skate park company who quoted for the project has recently stopped trading. However Zac Britton (SSYI's Youth Worker and our resident skating expert) has helped us find some good alternatives – we'll be meeting with a new company at the end of June to get a new quote.

The green shelter

Photo J Wilson

And finally, have you noticed the new seats in the green shelter on the rec? The poor shelter was always a bit of a contradiction: a shelter that had rails designed to be uncomfortable for you to linger there. So thanks to the Parish Council for organising some simple new wooden seats that should make it much more inviting. In the future we will also plant climbers up the poles and by re-siting the old roundabout and horse as quirky

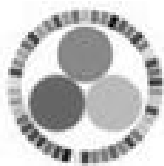

extra seating there too, we'll be giving them a new lease of life and providing a fun hang-out space.

Great Shelford Free Church

I wonder what comes to mind when you hear the word ‘pilgrimage’?

Traditionally Christians have gone on pilgrimages to holy sites connected with the Bible and the life of Jesus, like Jerusalem or Bethlehem. The word pilgrimage means a journey with a spiritual purpose or destination. The destination is important but then so is the journey. A pilgrimage is not only about sightseeing or getting there as quickly as possible, it is just as much about the time it takes and the experience of getting there. Jesus’ ministry could be described as a pilgrimage; he went from place to place, not having anywhere to call home, talking, healing and caring for those people he came upon on the way.

In modern times people might do pilgrimages for other reasons. Every 16 August, Elvis Presley fans from around the world make a pilgrimage to his famous former home, Graceland, to commemorate the anniversary of his death. There might be football fans who do a similar trip to a famous stadium. You might have an important site that you visit, maybe a grave or a significant place.

For it to be a pilgrimage the journey, for example a slow walk taking a few days, is just as much a part of the experience. The things you see along the way, the people you talk to, and the investment of time is all part of it.

You might not be planning on visiting a spiritual or sporting site this summer but the idea of life being a slow journey rather than a race is a refreshing one. If we’re not careful we become so focused on the destination – maybe it’s our career goals, our house, those holidays or something else – that we forget to appreciate the journey we are on and those people around us.

Whatever your plans for the summer, I hope you can find some time to appreciate the journey not just the destination. Catch yourself in those moments valuing what’s going on around you, rather than rushing on to the next new thing, maybe even offering a prayer of thanks in those precious moments.

SHELFORD MEDICAL PRACTICE

THE NATIONAL FLU IMMUNISATION PROGRAMME 2018/19

This year sees significant changes in how we will be vaccinating our patients, the main one being that there are now two different vaccines for adults:

- 1 The adjuvanted trivalent vaccine (aTIV) for all patients over 65 years old.
- 2 The quadrivalent vaccine (QIV) for patients 18 years old and over and for patients under 65 years old who are eligible for NHS vaccinations.

Eligible children will continue to receive the nasal spray live attenuated influenza vaccine (LAIV).

The following patients are eligible for flu vaccination:

- All children aged 2 to 9 years old (but not 10 years or older) on 31 August 2018
- Patients with clinical need, aged 6 months to under 65 years old
- Pregnant women
- Those aged 65 years and over
- Those in long-stay residential care homes
- Carers

In addition, flu vaccines are recommended for frontline health and social care workers.

The other significant change of note is the way in which we will receive our supply of vaccines – there will be three separate deliveries between the months of September and November.

All of the above means that this year booking your flu appointment won't be quite as straightforward for us as in previous years. We will have to separate adults by age, vaccination type, and by when deliveries are due, so please bear with us as we manage this huge task which could involve up to 15,000 patients!

In the next issue we hope to publish our flu clinic dates. Additionally, text messages will be sent, there will be local posters, and the dates will be published on our websites.

As always, if you have any questions or concerns please do not hesitate to contact me at Shelford Medical Practice or your local Granta surgery.

7A BUS SERVICE TO TRUMPINGTON PARK & RIDE THE GOOD NEWS AND THE BAD NEWS

The revised 7A bus service route and timetable will start on 30 July. Its destination will now be Trumpington Park and Ride (instead of Babraham Park and Ride) and it will no longer go down Mingle Way or Gog Magog Way. It will continue to serve Hinxton and Whittlesford.

However, this bus will not stop in Great Shelford. There will be **no pickups or setdowns** between Granta Terrace, Stapleford and Trumpington Park and Ride. This means that passengers from Hinxton, Duxford (Woburn Place) and Whittlesford will not have access to shops and the Health Centre in Great Shelford, and Great Shelford residents will not be able to make use of the service to get to Waitrose at Trumpington.

This information has been provided by Brian Clifford, Managing Director of A2B Bus and Coach, which is the operator for the revised 7A service. However, the decision about the reduced setdowns and pickups was made by Cambridgeshire County Council, who give financial support to the 7A, after an objection from Stagecoach that it would lose passengers from its Citi 7 route.

Any objections should be made to Paul Nelson, Head of Public Transport, Cambridgeshire County Council, Shire Hall, Cambridge CB3 0AP or email Paul.Nelson@cambridgeshire.gov.uk

Buses to Trumpington will pick up at Stapleford London Road (Granta Terrace) at 8.47, 10.05, 11.35, 13.05, 15.05, 16.35 and 18.25 Monday to Friday, and at 10.05, 11.35, 13.05 and 15.05 on Saturdays.

Buses will leave Trumpington at 9.00, 10.30, 12.00, 14.00, 15.30, 17.20 and 18.45 Monday to Friday, and at 10.30, 12.00, 14.00 and 15.30 on Saturdays. The first stop will be at Granta Terrace, Stapleford.

GREAT SHELFORD FRIENDSHIP CLUB

Great Shelford Friendship Club is a social club for senior citizens and is held every Thursday from 2–4pm in the Community Room at St Mary's Church, Great Shelford. It has been running now for over four years.

Members can socialise over tea and biscuits, join in a game with others or just chat and make new friends. Every other month there is some form of entertainment including speakers, musical acts, cream teas, garden parties and an annual meal out with a coach provided. Contributions towards rent and refreshments are minimal (£1.50 per week and £2.00 when entertainment is provided).

We would be happy for newcomers to join us and can guarantee a really friendly and welcoming reception. If transport would make attendance easier, the Shelford Support Group can provide this from Shelford and some surrounding villages at minimal cost. The Friendship Club is a drop-in group and no membership fees are charged.

If you would like further information, please call Cheryl on 845435 or just turn up at the Community Room on Thursday at 2pm.

STAPLEFORD HISTORY SOCIETY

HIDEOUS CAMBRIDGE

Talk on 10 July 2018 by David Jones

Which do you think are Cambridge's worst buildings? In December 2013, *Spectator* reviewer Richard Davenport-Hines chose David Jones' book *Hideous Cambridge* as one of his two books of the year. Since then, Cambridge has seen further controversial change. David Jones is preparing material for an updated book, this time extending its scope to include the villages around Cambridge, and this will be the subject of his talk.

At Stapleford Jubilee Pavilion at 7.45pm: admission free for History Society members, or £3 on the door.

Mrs Evans is in her office drinking a cup of tea when the phone rings.

Mrs Evans: Who is that on the phone so early? (*Picks up the phone*) Hello, Mrs Evans from Shelford School speaking, how can I help? (*Takes a sip of tea*)

Duchess of Sussex: Good morning, this is the Duchess of Sussex speaking, otherwise known as Meghan Markle.

Mrs Evans: Pppphhhhhlllbbbeeerrrrtttt (*Spits out tea in surprise*)

Duchess of Sussex: I wanted to thank you for all your hard work and dedication at Shelford School over the years. I hear you lead great assemblies and give out amazing awards to your hard-working pupils. I also want to thank Mr Paduano, he sounds like a great Year 6 teacher. Finally, I'd like to thank Mrs Jenkins, the lovely Reception teacher with super piano skills. All three of you have shown such commitment to education and given so much to the community of Shelford. Thank you.

Mrs Evans: Why thank you Meghan, that is splendid to hear.

Duchess of Sussex: Who is the new headteacher going to be? I'm sure they'll be great.

Mrs Evans: He certainly will be, his name is Mr Grey. Thank you for calling.

Duchess of Sussex: Thank you and good luck in your next chapter! Goodbye.

Mrs Evans: Goodbye. (*Mrs Evans looks at the phone in surprise thinking did that really just happen? She sighs, smiles and makes another cup of tea*)

GREAT SHELFORD REPAIR CAFÉ: 2 JUNE 2018

Green Groups in the Shelfords, Stapleford and Sawston (2G3S) held another successful Repair Café in Great Shelford on 2 June. Nine repairers looked at 43 items, ranging from lamps and other electrical items to books, bikes, jewellery and fabric repairs. Most of these were either fully or in a few cases partly repaired; nine people went away with their item still broken, but with advice as to whether it could be repaired professionally or should be discarded. As usual there was plenty of tea and cake on offer, and we all had a happily busy afternoon!

Watch this space for details of our next local Repair Café (probably in 2019), or if you want to help decide what 2G3S does next, all are welcome at our planning meeting at 8pm on Wednesday 11 July in The Rose, Stapleford.

CAMBRIDGESHIRE ACF BATTLEFIELD TOUR

The local Army Cadet Force (ACF) detachment is based in Sawston (see our website below for details). Cadets from Great Shelford have had many successful years with the ACF.

As part of Cambridgeshire Army Cadet Force World War I programme and the Ministry of Defence project 'Operation Reflect', a party of Cambridgeshire Army Cadets will take part in a Battlefield Tour (BFT) from 21 to 24 October 2018.

In March, we held our first training event for this at Waterbeach Cadet Training Centre and the Imperial War Museum at Duxford. Col Tony Slater gave a lecture on the Cambridgeshire Regiment and the events of 1918. Dr Pamela Linden and Catherine Long from the Imperial War Museum WWI Partnership hosted our visit to Duxford, where lectures were given by the members of the Cambridgeshire Regiment 1914–1918 website. They also brought along exhibits from their collection for the cadets to look at and handle. Catherine gave an interesting lecture on the Lives of the First World War website and how to research individual soldiers.

The cadets were then given the names of two Cambridgeshire Regiment soldiers to research using sources such as Medal Index cards, data from the Commonwealth War Graves Commission, census information and other websites. Their aim was to find out where the soldiers were born, where they lived, when they joined the Cambridgeshire Regiment, which medals they were awarded, if they were killed in action, whether they survived the War, if they appear on a War Memorial locally and where they are buried.

Some of the cadets were very successful in their research and others found it challenging to find information due to the absence of records for some of the soldiers.

Cadet Charlotte Wallace from Cambridge Detachment has provided an excellent report on 765792 2nd Lt Henry William Huckle. Here is some of the story she discovered.

Second Lieutenant Huckle was born in 1886 to Henry and Emma Huckle in Hitchin, Herts. He moved three times, including to Cardiff where he married Mary Anne Elizabeth Porter in 1914. His daughter was born in 1915 and the family

moved to 182 Shelford Road, Trumpington, Cambridge; the house name was Tourmaline. Whilst in Cambridge, Henry was employed as chief clerk at Oxford and Cambridge Examinations Board. In 1917 his second daughter, Betty Mary Huckle, was born and in March 1917 he enlisted with the Cambridgeshire Regiment to fight in WWI.

On 5 and 6 September 1918 the Cambridgeshire Regiment were engaged in the battle for Nurlu. The Company Commander, Lt Orbell, was killed in action and Henry took over the role of Company Commander. Later that same day, he was killed in action after just 16 days on the battlefield.

Lt Orbell and 2nd Lt Huckle are buried next to each other at the Perrone Communal Cemetery extension. Henry William Huckle is commemorated in the UK at both the Trumpington and Hitchin War Memorials and in Trumpington Village Hall. His wife Mary is buried in Trumpington Cemetery, where Henry is also remembered.

To date we have researched some 60 soldiers from the Cambridgeshire Regiment in WWI and will continue to research the battles at Nurlu, Epehy and the St Quentin Canal, and the cemeteries at Epehy and Perronne before our visit to the battlefields in October 2018. There we will honour the soldiers of the Cambridgeshire Regiment who stood on that ground 100 years ago.

This project has been sponsored by the Heritage Lottery Fund, the Army Cadet Force Association and the Reserve Forces and Cadets Association for East Anglia.

For more information on Cambridgeshire Army Cadet Force or how you can get involved visit our website: www.armycadets.com/county/cambridgeshire-acf.

We would be pleased to hear from anyone in Great Shelford (or elsewhere) who knows of a relative who served with the Cambridgeshire Regiment in 1918.

Lt Col (Retired) Colin Norman, a resident of Great Shelford, was an inspiration to me as a young Instructor and he was a role model to many with his leadership as the County Training Officer.

THE MARY CHALLIS GARDEN AND MUSEUM

Mary Challis was born in Sawston and lived there for nearly her entire life. She never married and had no close relatives, and when she passed away in 2006, very generously left her house and garden in trust 'for the benefit of the inhabitants of the village of Sawston and the neighbourhood'.

The A M Challis Trust was set up in 2007 to manage the house and two-acre garden in keeping with Mary's wishes.

The Garden

The garden has been faithfully restored by volunteers and was formally opened in May 2009 by Christopher South. It opens to the public every Tuesday, Thursday and Saturday from 10am to 12 noon, and on Sunday afternoons from 2–4pm (1–3pm in winter). Admission is free.

Mary Challis was clearly passionate about her garden and its wildlife. She was well educated and studied horticulture at college. She had a fondness for animals, and kept chickens, ducks and geese, as well as numerous cats and other pets. She was also a keen beekeeper. After her father died in 1942 when Mary was only 17, she dedicated her life to looking after her mother and the garden. In its heyday, Mary ran a small horticultural business from the garden,

selling fresh fruit, vegetables and glasshouse produce, eggs and honey. However, she was not able to manage the garden in later years and it became very overgrown. It was a huge task to restore the garden and outbuildings to their present standard.

The garden extends to two acres, and comprises formal herbaceous beds, lawns, a summer wildflower meadow, an orchard, a pond, raised vegetable beds, glasshouses, a winter/spring walk, an apiary, a bee border and mature trees and shrubs. A succession of spring bulbs – snowdrops, crocuses, aconites, daffodils, tulips and bluebells – make a great display at the start

of the flowering season. There are a number of specimen trees including golden rain tree, false acacia, Kentucky yellowwood and ginkgo. So plenty to see in all seasons. We sell plants, fresh produce, honey, preserves, jam and logs to raise funds for the garden.

The Challis Trust runs several events over the year for the people of Sawston and surrounding villages, including an Easter event, an Anniversary Fete, Open Gardens (for the National Gardens Scheme), the Jo Cox memorial picnic, the Horticultural Show, Apple Day and a Halloween event. These are very popular, usually attracting 200–300 visitors. The garden can be booked by clubs and groups for private visits (please see our website www.challistrust.org.uk); it is especially popular with gardening clubs, youth groups, WI and artists.

The Museum

In keeping with her wishes, Mary's house at 68 High Street, Sawston, has been completely renovated to become a museum for the village and to house the village history archive and artefacts. The Mary Challis Museum and Archive was formally opened on 27 April 2018.

The current collection includes the archive assembled by Sawston Village History Society. Most of the material has been donated by Sawston residents. It includes a set of *Sawston Scenes*, the *Sawston Crier* and a number of local and national newspapers as well as photographs taken of the village in 2000 and other photographs from the less recent past. Cataloguing is still in progress but a list of the various files is available. There is also a small range of books on the history of Sawston and the surrounding area. Books of which the Trust has multiple copies may be borrowed.

The Mary Challis Museum and Archive is open regularly on Tuesdays from 10am to 12 noon. It is hoped, in due course, to open on additional days, provided there are stewards and archivists available to welcome visitors.

THE SHELFORDS WI

The life and work of William Morris was the theme of our June meeting. We discovered that whilst many of us were familiar with William Morris' work we actually knew very little about the man.

In a beautifully illustrated talk, Fiona Rose revealed William Morris' life. We learned that his love of flora and fauna, which feature in his famous designs, was the result of his childhood spent at Woodford Hall in Essex. He originally intended to become a clergyman but then began an apprenticeship as an architect. He eventually decided this did not suit him and after beginning to paint he turned to the design of tiles, textiles, wallpaper and furniture. He became a committed socialist and founded the Socialist League in 1884. He died at the age of 62 having 'done the work of ten men' according to his doctor.

Our next meeting on Thursday 5 July will be our annual Garden Party at 12 Church Street, Great Shelford. On 15 July we will be serving teas at The Shelford Feast. If you would like to volunteer to help us you will be very welcome (you do not need to be a member of the WI). We do not meet in August but there will a trip to The Manor at Hemingford Grey on 2 August.

Please note there will be a change of meeting venue beginning with our meeting on Thursday 6 September. From this meeting onwards we will be meeting in the Community Room behind St Mary's Church in Great Shelford.

New members and visitors are welcome at every meeting. We meet on the first Thursday of every month (except August) at 7.30 pm.

Astrig trained in Ceramics at the Central School of Art and Design and later went on to work as a freelance painter in the film industry. She now works full time as an artist.

This year Astrig's work continues to explore landscapes and life drawing using mixed media in an expressive and vibrant style. New this year are sketches and paintings relating to recent trips to Cambridge allotments. Prints and cards are available.

She enjoys experimenting with new materials and prefers to work quickly and directly from her subject matter.

KEITH TAYLOR**Weekends 1 and 2**23 Greenfield Close, Stapleford, CB22 5BT info@cambridgeimages.co.uk

Much of Keith's work is concentrated on photographs taken in and around Cambridge, including iconic photographs of the colleges and the River Cam accompanied by less well known scenes of Cambridge and the surrounding area.

He also loves to explore some of the wilder parts of the UK, taking landscape photographs at either sunrise or sunset when the light is the most striking, creating evocative and beautiful images.

MEMORIAL HALL FLOWER BEDS

The 2nd Shelford Brownies (see photo on front cover) have been working hard again on making the flower beds in front of the Memorial Hall a riot of colour. It was a shame to pull out all the bulbs and wallflowers that gave such a lovely display over spring, but they've now planted summer bedding plants and the sunflowers they grew from seeds and everything is starting to bloom. If you haven't seen them yet, do have a wander down the village to look at their hard work. Well done Brownies!

RUGBY CLUB

All hands on deck at the Davey Field this summer!

As soon as one season finishes, (with a little break to finally get all those home jobs done!) everyone down at Shelford Rugby Club is busy preparing the club for another busy season. All the age groups from the Minis to the Colts take turns to do a Saturday morning over the long summer break to clean, paint and spruce up the club's facilities, with a well-earned bacon sandwich for all the helpers!

CRICKET CLUB

It has been a tough struggle so far for the Cricket Club this season. The First and Second teams have lost all their games and sit at the bottom of their leagues, Whiting & Partners Division Two and CCA Junior Two North respectively. There have been bright individual performances but collectively, both teams have failed to spark. All is not lost though: we shall continue to fight on and morale is still high in both these teams.

The Third team sit at the top of CCA, Junior Four West having won their first four matches of the season. They then lost the next two but they continue to show that we do have some success on the playing side.

The Youth section has also had some success, with all teams having won at least once and the Under 11s side in particular is thriving, with many youngsters coming along to training sessions on Friday evenings.

If you wish to join our club, email me at brian_higgins50@hotmail.com
