### **SUMMARY FROM THE UNADOPTED MINUTES OF THE ANNUAL COUNCIL MEETING ON 18 May 2022**

#### **ELECTION OF CHAIRMAN AND VICE-CHAIRMAN**

Cllr Watson was re-elected as Chairman of the Parish Council for the forthcoming year by unanimous vote. Cllrs Price and Stanton were re-elected as Vice-Chairmen by unanimous vote.

#### **REPORTS FROM COUNTY & DISTRICT COUNCIL MEMBERS**

A report from the County Councillors had been made available before the meeting. It was noted that County Cllr King had not been in attendance at any Great Shelford Parish Council meeting for quite some time. District Cllr Fane noted that no report had been provided due to the proximity of the meeting to recent elections and that there had been an extension to allow more applications to the Zero Carbon Community grant.

It was noted that during 2021/22, £25,050 was spent by Great Shelford Parish Council for grants under the General Power of Competence including: Mobile Warden Scheme, Shopping Bus, SSYI, Poppy Wreath and donation to the Bowls Club.

## REPORTS FROM COMMITTEES AND WORKING GROUPS

Members of the Wheelscape Working Group met with the Scout and Guiding groups to discuss the Wheelscape project. The concerns of the Scout and Guiding groups over losing outdoor space close to their building was discussed and members will try and help publicise the groups' need to find additional volunteers. The possibility of allowing the groups to use the pavilion for activities and of roping off areas of the Recreation Ground for their exclusive use could be considered.

## COUNCIL ADMINISTRATION MATTERS

A draft Annual Report was presented to members. It was agreed that this should be printed on recycled paper and circulated to councillors for final comment and approval before being printed and delivered to all dwellings, with a maximum budget of £1,000 + VAT.

## COMMUNITY MATTERS

It was agreed to support the WI in their request to replace the clock in the Memorial Hall.

## FINANCE MATTERS

It was agreed to purchase software for digital mapping of the allotments and cemetery from Pear Mapping and Epitaph (by Edge IT) at a cost of £2,400 + VAT for year one, which includes training, and £143 + VAT for subsequent years' ongoing support.

## PLANNING APPLICATIONS PARISH COUNCIL COMMENTS

22/01528/HFUL	57 Macaulay Avenue	Two storey side extension.
Application supported.		

22/01612/HFUL	60 Cambridge Road	Single storey rear extension and front porch.
No comment.		

22/01898/HFUL	4 Westfield Road	Single storey rear extension.
Application supported.		

22/01931/HFUL	8 Poplar Close	Single storey side and rear extension.
Application supported – a good use of an awkward plot.		

22/01945/HFUL	14 Elms Avenue	Two storey side extension, single story front extension and new dropped kerb.
Application supported but there was concern about the loss of green space to the property and a request to consider porous materials for the car parking area. Cllrs also requested consideration of a pitched roof for the front extension and of the use of brick or render rather than cladding.

### READER'S LETTER

**Jubilee Exhibition and sale, St Mary's Church Great Shelford.**

I should like to thank all concern for their generosity and support.

It was wonderful to see Pat's pictures together in such a lovely setting. She would be pleased to support Ukraine and know that her friends were able to enjoy her work in their own homes.

Sales and donations came to £1750 will be given to supporting Ukraine. In addition, the church receives £1000 by private donation.

## PARISH COUNCIL NEWS

School holidays will soon be upon us and the village is buzzing with events especially the Feast, people visiting our shops and milling around.

This month I wanted to update you on a few behind the scenes things the Parish Council has been involved in over the last couple of months.

### **Asset of Community Value**

We recently nominated both '*The Square and Compasses*' and '*The Plough*' to become Assets of Community Value. We believe that both of these public houses are an asset to the village as they are used to further the social wellbeing and social interests of the local community and we would like this to continue into the future. South Cambridgeshire District Council supported our application and both public houses are on the register for the next five years.

### **Farmers Market**

We have been approached by a couple of the stallholders from the former Farmers Market which was held in the Memorial Hall on a monthly basis. The Parish Council would be interested in seeing if it is a viable option to reintroduce the market to the community, but we would need to know that there are stallholders willing to attend each month. If you would be interested in selling your produce or know someone who would, please contact Jenny by email [office@greatshelfordparishcouncil.gov.uk](mailto:office@greatshelfordparishcouncil.gov.uk).

### **'Shopping' Bus**

For a number of years, Great Shelford Parish Council has funded a minibus to take older residents from the Chaston Road/Macaulay Road area into the village to enable them to do their shopping on a weekly basis. It is set up for a Tuesday and was timed to coincide with tea and coffee at Cara's which was organised by the Free Church. Since Covid, this coffee morning has moved to Mondays and the numbers of those using the bus has plummeted, meaning that the cost is not viable to the Parish Council. However, the Council is prepared to consider moving the bus to a Monday – IF there is sufficient interest in this service.

We understand that some residents may still be concerned with Covid so we have spoken to CL Travel who have confirmed the following:

With regards to COVID procedures:

- All our drivers are continuing to wear face coverings.
- Vehicles are cleaned with anti bacterial wipes and spray every day and also during the day when different groups are travelling.

If you would use the bus on a Monday, please call 01223 616622 or email [clerk@greatshelfordparishcouncil.gov.uk](mailto:clerk@greatshelfordparishcouncil.gov.uk) so that we can make an informed decision about the bus. If there is not the desire, unfortunately it may be lost.

## Transport

The Combined Authority has launched a public consultation to help them develop a plan for better transport in Cambridgeshire. This is open until 4th August and can be found via the link, [www.yourltp.co.uk](http://www.yourltp.co.uk). The link also details where there will be drop in consultations and places where hard copies can be collected.

## Overgrown Hedges

As it is the growing season we are conscious that vegetation bordering footpaths, roads and signage may cause hazards to those using them. Please can we ask that you cast a critical eye at your boundaries from that of a road user and make sure that the hedges are back in line with the boundary of your property, that there are no branches obscuring road signs, traffic lights, etc.

Don't forget to get in touch with us should you have any relevant concerns. Our telephone number is 01223 616622 and Libby will be available to help during office hours (please leave a message outside of these times or email). Councillors have emails too, which can be found on the website. If you do email a Councillor we ask that you copy in Libby.

*Malcolm Watson, Chairman*

## ANTHONY BROWNE

Last month, I met with representatives from the Greater Cambridge Partnership (GCP). One of our main topics of discussion was the proposed Cambridge South East Transport Scheme (CSET) Busway. I reiterated my opposition to the proposals and my firm view that they are inappropriate for our area.

Over the Jubilee weekend I had the great pleasure of travelling around the constituency and witnessing the many great community events to celebrate Her Majesty's reign. I was not able to attend the events in Great Shelford but I have no doubt that those who were able to attend thoroughly enjoyed the occasion.

As someone who grew up in South Cambridgeshire, I was heartened to see David Rayner of Scotsdales planting a tree at the site with his son, grandson and great grandson. I am sure that the tree, Scotsdales and the Great Shelford Community Spirit will be here for many years to come.

The power of community is an intangible but invaluable asset that defines my constituency. It is what attracts many people to our area, means so many never leave and people like me come back! It is essential when we consider changes to our area that they enhance rather than detract from what makes South Cambridgeshire so special.

## **RESULTS OF ANTHONY BROWNE'S SURVEY THE CAMBRIDGE SOUTH EAST TRANSPORT SCHEME (CSET) BUSWAY**

81% would definitely not or probably not support the CSET busway.

58% would definitely or probably support the alternative option using the A1307.

85% would never or only rarely use the CSET busway.

71% were already aware of the CSET busway proposal, however, fewer than half (44%) were aware of the Greater Cambridge Partnership's previous consultations on CSET and 68% rated the GCP's level of engagement as poor or very poor.

69% supported the idea of reopening the Haverhill to Cambridge railway line as a longer term alternative to the CSET busway.

While I encourage everyone to give their views on the Local Transport and Connectivity Plan (LTCP) as a whole, I am aware that many of you will be most interested in plans that impact on South Cambridgeshire. These are covered in the Greater Cambridge section of the document.

To find this

- visit the link below
- follow through the first two pages (answering required questions 1-6), before coming to a map of Cambridgeshire
- Click 'South Cambridgeshire' to be directed to the Greater Cambridge section

This section contains two questions, one offering a simple choice of how much you support the proposals and a second box asking for more detailed feedback. If you wish to give feedback directly regarding the CSET scheme, this box is the best place for you to do so.

If you, like me and so many others, oppose the current CSET proposals to build a concrete busway across the Cambridge green belt at the Gog Magog hills, please use this opportunity to tell our local transport authorities to stop these destructive plans.

## GREAT SHELFORD PARISH CHURCH

[www.stmarysgreatshelford.org](http://www.stmarysgreatshelford.org)

### News from St Mary's Church

As we look forward to the annual Feast in Great Shelford, I am reminded of a film which won an Oscar in the 1980's called *Babette's Feast*. The film is set in the 19th Century in a seaside village in Denmark. Babette has fled from violence in Paris and arrives one foggy morning with nothing and asks the religious community in the village to let her work for them for nothing in return for refuge and food. Babette was safe in this community, but life was hard and the religious community had its own restricting traditions which Babette learnt to live within. She noted that austerity made people tetchy, there were conflicts and not a lot of space given to love or joy.

One day, Babette receives a letter telling her that she has been given lots of money. Instead of spending it on herself, she decides to give the whole village a feast. She orders special food and wine that people in the place have never tasted. She organises and she cooks and she gets people involved and she invites the village and she watches them relaxing and eating and talking more openly with each other than they usually do. Babette sees this as an act of thanks and love and she delights in their pleasure and the healing of divisions. Only later does it transpire that she had the skills to make this happen because she had, in her previous life, been a head chef in one of Paris's leading restaurants.

Many people will bring hidden skills to the Feast week, from the youngest to the oldest. There are events for every taste. In St Mary's Church on 8 July at 7.30pm, we will host the classical guitarist, Daniela Rossi, accompanied by Sebastian Pompilio. Tickets are available online, from local traders or at the door. Do join us for this special event. I hope that this will be a time when people come together, relax and enjoy.

*Revd Dr Julie Norris, Associate Priest*

You will receive a warm welcome at any of the following services. These are all at St Mary's except for the Zoom services.

Our **Zoom Service** is a time of reflection following a variety of different styles; email [revjulienorris@gmail.com](mailto:revjulienorris@gmail.com) to request the link.

Children are especially welcome at **Parish Communion**. On the first Sunday of every month there is the **St Mary's Sunday Club** with a story and activities for children of all ages. On other Sundays, there is an activity for children during the service. Contact Gillian Pett [gillian.pett29@gmail.com](mailto:gillian.pett29@gmail.com) for details.

**Food Box:** We continue to supply a small number of tins, dried produce and other staples such as boxed milk in the Friendship Box in the porch of St Mary's Church. The tins of meat, microwave rice and milk go quickly from the box. Please can you consider putting in a tin. This is a friendship box. Those who give and those who receive wish each other well. We all benefit from this friendship.

**Pilgrim Group:** We continue to look at aspects of Mark's Gospel. We will not be meeting on 4 July because members are involved with the Feast. We will next meet on 11 July and again on 18 July at 10am and then pause over the Summer to begin again in September. We will be meeting in St Mary's Church. Please come along.

## WI

On a beautiful evening, on the first of the Platinum Jubilee four days of celebrations, Dr Maureen James, who had conducted her PhD on the history of Folklore in the Fens and Cambridgeshire, came to speak to us about the myths and legends, superstitions and rituals of our county and the Fenlands.

Dr James explored the many peculiar tales and anecdotes recorded in the last hundred years, relating to plants, trees, flowers, birds, the moon, fortune telling, black cats, water divining, reading of tea leaves and lucky charms and many more, quite a few known to us.

Our July meeting will take place, if fine, on the Community Orchard behind The Hectare and there will be an opportunity to see the newly installed seat close to the Almshouses.

For our August meeting we are still hoping to arrange a River Trip with cream tea; there are still spaces available for this trip. We are always willing to greet new and visiting ladies to our evening meetings, held on the first Thursdays of the month in the community hall at St Mary's Church, Great Shelford.

I hope you enjoyed some of the Jubilee Celebrations and let's hope for some warmer summer days to come.

## Great Shelford Free Church

I wonder if you've ever thought about where your time goes? I sometimes play on our kids' Xbox. When you play computer games it gives a rolling clock of how long you've been playing, hours turn into days and then it can get rather scary. I don't know if you've ever tried to add your time up, how much time you've spent asleep, eating, driving, or watching TV. Time passing can be seen in many different ways, we traditionally in the West have a linear view of time, a beginning and an end, the past behind and future ahead. But that's not the case in every culture; *The Aymara people of the Andes see things differently. Because the past is what they have experienced, it lies ahead, where they can see it. The future remains hidden, so it is behind them. That's because visual evidence is particularly important to the Aymara.*

As we come to move on from the Free Church having spent the last 70,000 hours (eight years) in Shelford, I can look back on the joys and the sad times. I can dwell on what's gone well and reflect on my regrets. I can't quite get my head around seeing time the other way around, but it does help me see the growth and joy in the experiences of the last eight years, if I look at them head on. If I see them in a visual way, I become aware of the stories and journeys of those with whom I've walked. Because you might think church is all about the building and the Sunday service, but it really isn't. It's about the community that chooses to live in that building and gather on that Sunday morning. Within that community have been times of great joy, as well as pain.

I wonder what visual images come to mind when you look at the past, head on. Maybe you see painful regrets or amazing joys, heartbreak or fulfilment. Whatever image comes to mind, there is a truth that holds in my life experience and that's the ever present understanding that God loves me. That love is what holds all the time together. It's the grand story that the Bible presents, that our time here on Planet Earth is not all the time we have. That this world points to the next, points beyond the suffering and pain we so often experience. That the future is filled with the great fulfilment of that love.

As this is my last article for the Village news. I'll finish by repeating the last few words that so many of the New Testament letters in the Bible end with: 'The grace of the Lord Jesus Christ be with your spirit.'

## Face Masks

NHS England have updated the guidance around the wearing of face masks in GP surgeries. You no longer have to wear a mask when coming into our buildings unless you have respiratory symptoms such as coughing or wheezing. Of course, if you prefer, you can continue to wear a mask.

Doctors and nurses are advised to wear face masks when they are seeing patients with respiratory symptoms and some clinicians may prefer to wear a mask when seeing any patient.

## Long Term Conditions (LTC)

You may have received a text recently regarding your 'LTC Review'. LTC stands for Long Term Condition, which describes illnesses such as asthma, chronic obstructive pulmonary disease (COPD), hypertension, kidney disease and diabetes. Since April we have started aiming to review patients around their month of birth. There will be a transition phase as we work towards this. Please do not hesitate to contact us if you have any questions.

## SHELFORD SCHOOL

Another school year is almost done and the summer break is within sight!

In this half term we have finally (after several years of restrictions and machinery breakdowns) reopened the swimming pool for the classes to have two weekly lessons again. Having not used the pool for a few years, some of our Y6 pupils have been reminiscing about when they were so small the pool came up to their neck and now it barely reaches their middles!

Another event that we have been able to restart recently was to invite parents, carers and families to join the Ascension Day picnic – this time also linked to

the Jubilee celebrations - on the field. The sun shone and the catering team pulled off an incredible feat of fish and chips and ice lollies, all served and eaten outdoors. It was such a joy to have families back in school again – hopefully much more of this will be possible going forwards.

As the school year has progressed, more and more enrichment activities have been

running. Children have enjoyed trips out, visitors in and a wide range of clubs. These have included art, triathlon, dance and drama, sports and orchestra, as well as computing and programming clubs led by our pupil digital leaders. We believe strongly in a broad and balanced curriculum and aim to give all children opportunities to develop academic knowledge, a wide range of other abilities and the skills to be effective lifelong learners.

A huge well done and THANK YOU to all the staff and volunteers who contribute to the school community and work so hard to provide a superb all round educational experience for the children. I hope you can all enjoy the fast approaching end of term celebrations.

### Vacancy for a clerk to the Governing Board

The clerk to the governors prepares meeting papers, takes minutes and carries out a range of administrative tasks related to the strategic leadership of the school. The role requires the clerk to be reliable, organised, provide attention to detail, and have excellent communication skills. As the operation of the Board is paperless (we use Google Drive), computer literacy is essential. Flexibility in working hours is necessary. Training is available, along with mentoring and support. An honorarium of £1,200 per annum is offered. To start within the next two months. To find out more, or express interest in the post, please contact Anna Caroe (Chair), [chair@shelfordschool.org.uk](mailto:chair@shelfordschool.org.uk) asap.

## PAROCHIAL CHARITIES

### Come and see us at The Feast!

Do visit our stall on Sunday 3 July. First, you can find out more about our new almshouse development in the village and secondly you can view - and maybe even bid for - items in our silent auction.

Local artists and craft workers have kindly donated items for the auction with all proceeds going to the Feast's good causes.

Notable lots include:

- A beautiful quilt by Shirley Warbrick, 140x140cm (55"). £50 reserve
- A fine still life in gouache by Janet Edwards, framed, 66x50cm. £100 reserve
- Large bouquet of Peony Faux Flowers: hydrangea, rose, stephanotis, etc in a glass vase. £25 reserve

You can put in a bid on the day - or alternatively send your bid to [clerk@gspc.org.uk](mailto:clerk@gspc.org.uk) by Monday 4 July specifying the item, your bid and contact details. Winners will be notified by 6 July.

### Funding boost from B&Q Foundation

We have received a grant from the B&Q Foundation, in partnership with the charity giving platform, Neighbourly. The £5,000 grant will allow us to continue our refurbishment programme at More's Meadow.

Chair of Trustees, Sarah Rann, said, 'We're delighted to have been awarded a grant from the B&Q Foundation. This will enable us to further support our More's Meadow residents by upgrading our existing properties. We would like to thank everyone at the Foundation for their support, it means so much to us.'

Paul Crisp, Trustee of the B&Q Foundation, said: 'At the B&Q Foundation, we believe everyone needs a place to feel at home. So we're putting our efforts behind local charities who share our vision – helping to create better, safer places for the people in our communities who need them most.'

The Parochial Charities perfectly embodies these values and it gives us all at the Foundation great pleasure to support them.'

The B&Q Foundation was established in 2020 to support UK charities with a combination of grants, volunteering time and home improvement resources. So far it has supported over 250 charities with grants totalling more than £1.3million.

## JUBILEE CELEBRATIONS

Village celebrations were muted, partly by Sunday's drizzle, but a lovely display at the Country Market on Wednesday was a highlight for many (see page 30).

Mr and Mrs Charlton posed alongside her wedding dress and photos of their wedding in 1952.

On Sunday four brave revellers displayed Coronation Spirit and celebrated in the rain.

Meanwhile children played in the specially closed street and adults celebrated with excellent tea and cakes from the WI in the pavilion.

With thanks to those who hung out their bunting, particularly Tuckers for their celebratory window displays – and Seamus for dressing the recreation ground.

## COUNTRY MARKET

Wednesday 1 June was certainly a market day we shall long remember – so many customers and friends helped us celebrate the Queen’s Platinum Jubilee. There was a great buzz throughout the morning with the usual market stalls well laden, coffee served in china cups and a special cake. Our more senior members sought out old keepsakes which when put together made a fine display of memorabilia with some pieces dating back to pre-Coronation times: a 1911 George V coronation mug, a ration book and an identity card.

Now back to basics and something which would be helpful – cardboard boxes! As we don't have facilities for storing boxes it would be helpful if you could bring a box for your own purchases of plants and even some food items.

We are always on the look-out for new producers. If you enjoy baking or growing, why not bake or grow for the market stalls. There are lots of ways to make contact: come into the market, our Facebook page, an email to [dorothy@woodlandroad.plus.com](mailto:dorothy@woodlandroad.plus.com) or a phone call to 01223 843946. Also, we are always pleased to receive orders for food items and enquiries for plants and crafts. It takes just a phone call or email to order and perhaps arrange a delivery.

## BOOK REVIEW - A HAVEN FOR FARMLAND BIRDS

Encroaching buildings, roads and rail across our green belt are threats, not only to the people of Great Shelford but also to the wildlife which surrounds us. Engrossed in our own thoughts or plugged into headphones, the walkers, runners and cyclists who use the DNA cycle path near Addenbrooke's may not notice the abundance of wildlife in the fields by Granham's Road.

John Meed has spent ten years studying the birds in that small patch of arable land, recording 93 species, including 21 which are red listed as endangered. His detailed study explains how this apparently mundane cluster of fields should not be taken for granted, faced as it is with threats from all sides. The original source of water for Cambridge and a rare chalk stream, the rich habitat of Nine Wells and White Hill deserves protection.

Meed's study shows how this small area is a microcosm for global changes which we may find overwhelming. By exchanging the wide screen for the magnifying glass we may be better able to understand our local situation and even make a difference before it's too late.

Meed is a wise companion in a walk around the fields, showing us what we might otherwise have missed, explaining the changes of the influences of the seasons on bird feeding and migration and providing asides on everything from the history and geography to the migration of the albatross. In places he probably offers more detail than the general reader needs (relationship intelligence of the grey partridge is a niche interest) though there is much of interest for the keen birder.

The author provides us with our very own Spring Watch, with good quality photographs. He also warns of the prospect of a silent spring as the populations of all bird species decline, less because of climate change and more through human occupation. Can we balance the convenience of our travel and reduction of cars with the local extinction of some species of birds and butterflies? Can we weigh the need for scientific advancement in one area (the Cambridge Bio-medical campus) against the invasion of a thriving ecosystem?

Whatever the solution the author urges us to seize the opportunity to experience this green belt treasure on our very doorstep, before it's too late.

*Duncan Grey*

## U3A: UNIVERSITY OF THE THIRD AGE

My husband always said, 'You only get out of life what you put into it' so after he died and I was feeling sad, lost and lonely, I took my courage in both hands and joined the Sawston University of the Third Age. I needed friends and inspiration, although I was not sure I had anything to offer in return. I have however gradually come to realise that just being part of a group provides therapy in itself. There were so many activities to choose from and despite the fact that some of them sounded incredibly intellectual, I soon discovered they were fun, the members were friendly and encouraging and I was actually having a good time whilst learning something new. I now feel as though I am part of a family and don't hesitate to help in any way I can, even if I don't personally have the skills to teach others.

I have enjoyed a wide selection of different activities and have progressed to organising pub lunches, welcoming newcomers and to secretarial work, all of which don't require too many qualifications, but help to keep the wheels turning.

I find the more I become involved, the more I enjoy it and I would recommend it to anyone who feels they have an unfulfilled area in

their lives. Of course, members who do have skills they can pass on to others are welcomed with open arms and it is surprising how often members discover talents they can share that they never knew they possessed. It just goes to prove that the Third Age can be fulfilling, exciting and fun.

## MAGOG TRUST

### Membership Secretary

The Magog Trust is looking to recruit a Membership Secretary to work 2.5 days per week based at their Stapleford office. Their principal duties will be processing new subscription applications and renewals, book-keeping and monitoring the

Trust's email box.

We are looking for a confident computer user with a basic knowledge of Microsoft Word and Excel who is able to work on their own initiative with minimal supervision. Some experience of online accounting systems (for example Xero or Quickbooks) would be desirable but not essential as full training will be given.

For further details of the role and the salary on offer, please contact the Chairman, Chris Bow on 07711 417900 or email [admin@magogtrust.org.uk](mailto:admin@magogtrust.org.uk).

## LIBRARY

The ever-popular **Summer Reading Challenge** starts in July! It will be a celebration of science and innovation, in partnership with the Science Museum

Group. Officially it begins on Saturday 23 July, but children can enrol at their local library from **Saturday 9 July onwards**. They can read whichever library books they like and there are six special stickers to collect, one for each week of the Summer Holidays.

Everyone who finishes the Challenge will receive a certificate and a medal.

Taking part is free.

Reading Challenge sessions will run from 10.30am-12.30pm on Tuesday and Friday mornings, starting on Tuesday 26 July. Children can also complete the Challenge from home or on holiday – please ask staff for details.

### **Other events at the library** (please pre-book)

Lego and Duplo Event: Thursday 28 July. Two sessions are available, from 2 - 3.30pm and 3.45 - 5.15pm. £2 per session per child. Children must be accompanied by an adult.

Engage Talk: Wednesday 27 July 2-3.30pm. The speaker will be Judith Large from the Shepreth Hedgehog Hospital. A donation of £2 is appreciated if you stay for a drink after the talk.

The library will be running weekly events (including Lego) for children during August. Please collect a summer event leaflet from the library for details.

### **New E-Membership**

When you join Cambridgeshire Libraries online you will now automatically receive a full library card number which you can use straight away to access our e-services, browse our catalogue and place reservations on books. However, just ask at the library if you would still like to have a library card.

## **OASISS (Open Arms in Shelfords and Stapleford)**

Thank you for your ongoing support to help refugees from Ukraine to settle in our villages in unsettled times and to make them feel welcome. The number of newcomers continues to grow thanks to the incredible generosity of hosts. At the time of writing, we have 27 adults and 13 children living in our villages connected to OASISS and another 36 adults and 22 children on the way.

Some of the Ukrainians already in the Shelfords and Stapleford have started to establish a new life away from home for themselves in many ways. This includes students finishing their university exams remotely to graduate, whilst others have already found jobs with the University, the Babraham Institute and retail outlets or restaurants.

Offers of help from the members of the community have ranged from donating clothing for our Clothes Hub run by the Great Shelford Rugby Club, baking a cake for our coffee mornings, to offering a guided cycle ride to Cambridge, offering space for coffee mornings at our churches, or yoga sessions. Three people are taking a bus of medical supplies for Ukraine to Poland with a plan to collect five people to drive them to the UK. We are most grateful for every donation and pledge of support – they are critical to the success of this community initiative and to helping people to feel a little more at home in our communities.

Having facilitated many matches, our focus is on asking both hosts and guests what they still need as we look towards summer. People from Ukraine arrive with varied levels of English from bilingual to basic. English language classes in both Cambridge and Saffron Walden are in high demand and some of our new villagers attend these. Transport to lessons would be gratefully received. In response to this need, OASISS is setting up language classes locally for adults. At the same time, volunteers will listen to children and young people read to improve their English. We need volunteers with teaching or TEFL qualifications to teach, adults or young people willing to listen to children read in English or to have simple conversations and people willing to help look after young children whilst their parents are in the same space learning English. There will be a need for safeguarding checks for some of these roles.

We are still looking for buddies for host families to support their guests with endless form filling and showing people bus routes, how to search for a job or complete a CV, how to sign up for school, doctors, dentists etc.

If you think you could help in any way, please visit our website <https://oasiss.uk>. You will find links to pledge support and/or donate.

The continued support from many people in the Shelfords and Stapleford has already, and will undoubtedly continue, to make a real difference to people from Ukraine through this difficult time.

*Magda Syposz*

## OLD NEWS

### Extracts from The Great Shelford Chronicle 1774-1868

*Compiled and re-published by Anne George, Glynis Trundle,  
Margaret Ward and Alan Bullwinkle, 1993*

#### 15 July 1843

BOARD OF EDUCATION – announce with great satisfaction, that the school at Shelford will be opened after Michaelmas.

#### 15 July 1843

HIGHWAY ROBBERY – on Wednesday morning last, between 4 and 5 o'clock, a daring highway robbery attended with great violence was committed near Shelford, upon a person of the name Allen, residing at Bottisham. It appears that Allen was returning from the Shelford Feast, at the time mentioned, when he was overtaken by three men, one of whom (according to his own confession when he was apprehended) asked him for some tobacco. Allen said he had none, upon which they demanded some money, but he refused to give them any. They immediately fell upon him and beat him in a very violent manner and robbed him of a sovereign and a half-crown, with which they made off. Allen made the best of his way to the police-station, in this town, where he gave such a description of the ruffians that one of the police officers went to Barnwell, and apprehended Thomas Newling, Michael Macintyre and Robert Ransome upon the charge. They were taken before Captain Purchas, R.N. one of the magistrates of the county, when the prosecutor identified them all and they were fully committed to take their trial at the ensuing assizes.

#### 9 July 1843

HIGHWAY ROBBERY IN SHELFORD – 3 Cambridge labourers found guilty aged 17, 18 and 18 years, robbed John Allen on the High Road of a purse containing a sovereign and half a crown. Transported for 15 years.

#### 29 July 1843

BURGLARY – Yesterday se'nnight or early on Saturday morning, the chaise-house of Mr. H. Grain, junior, was broken into and a set of brass mounted black leather harness, a bit, a saddle, a snaffle bridle, 2 curb bridles and a gig cover stolen therefrom. A cart was heard by Mr. W. Headley to pass his premises about one o'clock on the morning of Saturday in which were, no doubt, the parties by whom the robbery was effected.

## READER'S LETTER

The other day, while waiting at the crossing gates, a driver wound down her window and asked for my help. She was new to the village, wanted to travel to London by train, and could I suggest a parking place for her.

I fought back the temptation to suggest walking or biking, if she was in the village, and put my mind to parking places.

Unlike Whittlesford we are not a parkway, and having lost the original railway sidings on Station Road to offices that looks unlikely. However, the offices on the Hinton Way side of the tracks are always looking for new lettings and have a substantial amount of space. In fact, on a quick tour of the site on an ordinary mid-week day I counted SIXTY unused parking spaces. A glance at Google Earth shows at least as many.

So, may I suggest the Parish Council, the landlords and the railway get together to advertise a simple scheme to provide parking places for rail travellers? Perhaps some steps from the car park directly to the platform would be helpful but not essential. Existing technology can cope with number plate recognition and payment. What's not to like?

*Duncan Grey*

## CRICKET

Following the initial comfortable win over Harlton, we had a much tighter game away against Comberton on a poor pitch where Jonathan Ede's 74 and a quickfire 45 not out from Theo Ball took us to 190 for eight. Comberton were making light of this at 113 for one, but Nusrat Hamid took three wickets and with some tight support bowling we won by seven runs. The following week was more comfortable on the scorecard, beating Cambridge St Giles 3rds by 72 runs, but not totally comfortable for all the players given the very poor (if not dangerous) pitch at Hauxton.

It was good to return to our own good pitch at the Rec the next week, but sadly we went down by 13 runs to Longstowe. For those of a certain age the top opposition scorer was reminiscent of Colin Milburn. He led a charmed life with several skiers landing frustratingly between fielders, but he also hit the ball very hard and after George Richards eventually caught him for 92 Longstowe had a challenging total of 231. Nevertheless, we got a good start and seemed on course for victory, but after Jonathan Ede's 60 there was a mid-innings collapse and Raj's 47 was in vain.

After two defeats (one of them extremely close) our Under 10s have won their last two matches. This is a mixed team of boys and girls, all working hard and improving their skills.

The Under 12 team is not likely to be a table-topper, but they have performed well and

certainly enjoy their cricket. For reasons known only to the league organisers, our team containing several beginners was paired against a Premier league team from Saffron Walden. The result was as one would expect, but we undoubtedly had the 'champagne moment' when Saisha Mehta took a tremendous catch to dismiss the best Saffron Walden player.

Home 1st XI matches in July are on Saturdays 16 and 23 starting at 1.30pm. There are evening friendlies on Thursday 14 and Wednesday 20 starting at 6pm. Spectators are very welcome.

## TENNIS CLUB

### GSTC FUNDRAISER A GREAT SUCCESS!

Saturday May 14 was a big day at the tennis club. We welcomed two former

professional tennis players, Danny Sapsford and Luke Milligan from Bright Ideas for Tennis, to provide coaching sessions in aid of two worthwhile charities. The day began with coaching for children under 10 and was followed by a wellattended session for teens. There was then a barbecue and raffle, followed by two sessions for adults. We were also treated to a top quality exhibition match between Tom Hands (see left; photo by Graham Pettit) and Harry Wendelken, two local young men aiming to become professional

tennis players.

The tennis club would like to thank everyone who attended for helping us make the day a great success. Particular thanks go to our volunteers for manning the barbecue and raffle stand; to the members who baked cakes, brownies and other treats and donated them to the cake stall; and to Grahame Pettit who donated his time to the club to provide us with photos of the day. We raised around £600, which will be split evenly between two charities; Tennis For All Uganda and the Richard Darton Tennis Foundation. Both charities offer tennis coaching for disadvantaged children, helping to improve participation in our sport. Most importantly the charities provide the children with opportunities to be children, to make friends and be safe. We hope that our donations will provide coaching or equipment to enable them to continue to provide their services.

We are trying to trace Emily Button, who won a tennis lesson in the raffle. If you read this, please contact Lucy on [lucy@overandin.com](mailto:lucy@overandin.com) for details on how to claim your prize.

The excitement of the day was followed by a quiz night held at the Red Lion in Whittlesford. Despite clashing with Eurovision and the FA Cup Final we managed to get a good turnout for drinks, food and quiz questions.

Meanwhile on court, summer matches are well underway in the Cambridgeshire league and the club's summer tournaments have started. The courts are buzzing with members making good use of the new LED floodlights which allow play well into the evening.

### **What we've been doing**

Some of you will have seen us at the Stapleford Village Show, where we entertained children with Bug Bingo and families with our Challenge Quiz and the Higher-Lower Game. Participants enjoyed home made flapjack or a little gift soap donated by Full Circle and all the completed Quiz sheets will go into a prize draw after the Shelford Feast, with prizes donated by the Cambridge Organic Food Company and Green Weigh. If you missed us at Stapleford, come and see us at the Feast on 3 July.

The Climate Justice Workshop was held on 6 June, put together by Katie Williams who is a member of the UK Youth Climate Coalition, which had a presence at COP26. She reminded us that the Cambridgeshire and Peterborough area has a 25% higher rate of carbon emissions than the UK average and South Cambridgeshire is 45% higher! The A14 and M11 don't help, but there are a lot of two car families in this relatively affluent area and poor public transport. Every journey you do without using your car can bring that percentage down a tiny bit. Every box of grapes from Peru or wherever that you replace with fruit that is either British or can be shipped here (such as bananas, apples, citrus fruits, strawberries) saves some air miles. Every flight you can avoid or replace with train travel will reduce your emissions hugely. Real action on climate change is an enormous international juggernaut to shift, but every little step an individual can take will help. The average carbon footprint of a UK citizen is 12.7 and it is calculated it should be about five to enable us all to get to net zero. Search online for the article I have previously quoted in the Guardian about The Jump, which consists of the six lifestyle changes you can make to reduce your carbon footprint to almost five. Also see our future talks on energy saving, details below.

### **Future events**

Repair Café on 30 July at 2pm to 4.30pm at the United Reformed Church, 36 Duxford Road, Whittlesford. It helps to book your repair in beforehand.

Social Cycle Ride on Monday 18 July, starting from Stapleford Pavilion at 10 am. Join us for a leisurely ride of around 20 miles, returning to Stapleford by about 1pm. Contact Yasmin to book at [greener@sawston.org](mailto:greener@sawston.org).

Our next Nature Walk, led by the very knowledgeable John O'Boyle, will be on Saturday 16 July from 2pm to 4pm, along Jenny's Path in Great Shelford.

If you are interested in green matters and the environment at all levels (individual, local, national, international), send an email to [greengroupssss@gmail.com](mailto:greengroupssss@gmail.com) to sign up for our newsletter, or to get more information about our meetings. Also see our Facebook page and our website.

## HOW TO CONTACT GREAT SHELFORD VILLAGE NEWS

We are pleased to receive articles, letters and notices for community events for consideration. Please send by email (preferably as a Word document), or send paper items, with contact details, to Judith Wilson, 11 Elms Avenue, Great Shelford, CB22 5LN. The copy date is usually the second Friday of the month. See the *Next Issue* box for next month's date.

For guidance, please note that an article of around 400 words, without a photograph, will fill a full page. Notices for events work best as a half page (half A5) in landscape format.

### General enquiries and articles for publication:
